## **ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.**

The compensation arrangements for non-management directors of Constellation Brands, Inc. include cash, restricted stock and stock option components. At a meeting held on July 27, 2006, the Board of Directors (the "Board") of Constellation Brands, Inc. (the "Company") took the following actions with regard to certain of the compensatory arrangements for Company's non-management directors. Each of these actions was recommended by the Corporate Governance Committee and was effective on July 27, 2006. Members of the Board of Directors who are members of management continue to serve without any additional fee or other compensation for their service on the Board.

### *Approval of Annual Cash Retainer for Non-Management Directors*

The Board increased the annual cash retainer to \$60,000 payable in quarterly installments of \$15,000 at the beginning of each fiscal quarter.

### *Approval of Board Meeting Fees*

The Board increased the Board meeting fee to \$2,500 for each Board meeting attended (which includes regular, special and annual Board meetings and attendance in person or by conference telephone.)

### *Approval of Committee Meeting Fees*

Non-management directors will continue to receive a committee meeting fee in the amount of \$1,500 for each committee meeting attended (including attendance by conference telephone.)

### *Approval of Annual Committee Chair Fees*

The fee for the position of Audit Committee Chair remains \$12,000 annually, payable in quarterly installments of \$3,000. The fees for the position of Chair of the Human Resources Committee and the position of Chair of the Corporate Governance Committee each remain \$9,000 annually, each payable in quarterly installments of \$2,250.

### *Approval of Stock Option Grant*

Non-management directors of the Company are eligible to receive an annual grant of non-qualified stock options, if and as approved by the Board. The number of shares of the Company's Class A Common Stock that may be subject to an annual option grant will not exceed the number obtained by dividing \$70,000 by the closing price of the Company's Class A Common Stock on the date of grant. The Board has not modified this arrangement. Consistent with this manner of calculation of the annual stock option grant, on July 27, 2006, each non-management director of the Company was granted an option to purchase up to 2,836 shares of the Company's Class A Common Stock at an exercise price of \$24.68 per share and with an exercise period of January 27, 2007 through July 27, 2016. On the date of grant, the closing price of the Company's Class A Common Stock was \$24.68 per share.

### *Approval of Restricted Stock Award*

Non-management directors of the Company are eligible to receive an annual award of restricted shares of the Company's Class A Common Stock, if and as approved by the Board. The number of shares of restricted stock that may be subject to this annual award is calculated by dividing the sum of \$40,000 by the closing price of the Company's Class A Common Stock on the date of grant. The Board has not modified this arrangement. Consistent with this manner of calculation of the annual restricted stock award, on July 27, 2006, each non-management director of the Company received an award of 1,620 restricted shares of the Company's Class A Common Stock. On the date of the award, the closing price of the Company's Class A Common Stock \$24.68 per share. Subject to applicable provisions in the award document, the restricted stock will vest on July 27, 2007.

In addition to the foregoing compensatory arrangements, non-management directors also receive complimentary company products having a value of up to \$5,000.
