NOW, THEREFORE, in consideration of the premises and of the mutual covenants herein contained, the parties hereto agree as follows:

1. **Services and Term.** This Contract will commence on the Effective Date and will continue until terminated in accordance with Section 9. Each SOW will commence and be effective for the period of time specified in a SOW (each, a "SOW Term") until such SOW expires or terminates in accordance with Section 9. All Services provided by Contractor to Client will be confirmed in one or more written SOWs, signed by both Parties, the first of which is set forth in **Exhibit A**, detailing the Services to be provided by Contractor thereunder, including without limitation, the SOW Term, deliverables, fees, payment terms, all as applicable to such Services (each, a "SOW"). 2. **Fees and Invoices.** Client shall pay Contractor the fees for the Services set forth in the applicable SOW. All invoices must: (a) reference the applicable SOW, (b) include sufficient detail to allow Client to validate such invoice, and (c) be sent to the address listed on the SOW.
3. **Payment Terms.** Client shall pay invoices forty-five (45) days after Client's receipt of Contractor's written invoice.
4. **Project Expenses.** Contractor agrees that project-related expenses, including, but not limited to, printing, non-local travel, and language translation services, shall only be reimbursable by Client if (i) the expenses are approved by Client in advance in writing or (ii) the expenses are reasonable and customary in nature and do not exceed \$500. Contractor agrees to make every reasonable effort to keep project-related expenses to a minimum. To the extent there are project-related expenses that are reimbursable, such expenses will be billed at cost and itemized in each invoice as appropriate.
5. **Changes.** Client and Contractor agree that Client may at any time and from time to time request revisions to a SOW. Contractor shall provide to Client a proposed increase or decrease in the required investment, together with an estimate as to any effect such revision will have on the SOW.

6. Indemnification. To the fullest extent permitted by law, Contractor shall be liable for and shall indemnify, defend and hold Client, its affiliated entities and their respective officers, directors and employees, harmless from any and all claims, demands, losses, liabilities, damages, judgments, costs and expenses (including without limitation reasonable attorneys' fees) ("Claims"), incident to or arising directly or indirectly out of the actions or omissions of Contractor or its affiliates, contractors, or subcontractors and their respective employees and agents (including without limitation Claims for bodily injury, death or property damage) whether based upon contract, tort or any statute, ordinance, rule or regulation; provided, however, that the Claims do not arise solely out of the grossly negligent acts or willful misconduct of Client, its affiliated entities or their respective officers, directors and employees. This indemnity provision shall survive the termination or expiration of this Contract.

When that balance reaches a threshold, another invoice will be sent to maintain adequate funds for fulfillment.

Client Data shall also include any and all data, reports, or summaries generated by the Application and Application Services concerning Client and/or its affiliated entities. To the extent that Client Data includes proprietary methods or other intellectual property rights previously developed or copyrighted by Contractor, Contractor hereby grants Client a perpetual, non-transferable, royalty-free, world-wide license to use such items in connection with the use of the deliverables for its internal business purposes.
