The information in the news release attached as Exhibit 99.1 is incorporated by reference into this Item 7.01 in satisfaction of the public disclosure requirements of Regulation FD. This information is “furnished” and not “filed” for purposes of Section 18 of the Securities Exchange Act of 1934 and is not otherwise subject to the liabilities of that section. Such information may be incorporated by reference in another filing under the Securities Exchange Act of 1934 or the Securities Act of 1933 only if and to the extent such subsequent filing specifically references the information incorporated by reference herein.

Item 8.01 Other Events.

On April 18, 2019, Constellation announced that it had entered into an agreement with Canopy to modify the terms of certain common share purchase warrants in Canopy (the “CBG Warrants”) and certain other rights. The proposed modifications of the CBG Warrants are subject to the approval of Canopy’s shareholders. The CBG Warrants were acquired on November 1, 2018 by CBG Holdings LLC (“CBG”), a wholly-owned Constellation subsidiary. The CBG Warrants consist of 88,472,861 “Tranche A” warrants exercisable at a price of C\$50.40 per share and 51,272,592 “Tranche B” warrants exercisable upon the exercise, in full, of the Tranche A warrants at a price based on the five-day volume-weighted average trading price of Canopy common shares on the Toronto Stock Exchange immediately prior to exercise. The CBG Warrants are currently exercisable over a three-year period from November 1, 2018.

As a result of the proposed modifications, the CBG Warrants will consist of three tranches of warrants. The 88,472,861 modified Tranche A warrants will continue to have an exercise price of C\$50.40 per warrant share but would expire November 1, 2023. The remaining CBG Warrants would consist of 38,454,444 modified Tranche B warrants exercisable upon the exercise, in full, of the modified Tranche A warrants, at an exercise price of C\$76.68 per warrant share and 12,818,148 “Tranche C” warrants exercisable upon the exercise, in full, of the modified Tranche A warrants, at an exercise price based on the five-day volume-weighted average trading price of Canopy common shares on the Toronto Stock Exchange immediately prior to exercise. The modified Tranche B warrants and the Tranche C warrants would expire November 1, 2026. Additionally, the exercise price of the modified Tranche B warrants and the Tranche C warrants may be reduced in the event Canopy does not purchase, for cancellation, 27,378,866 of its common shares during a period beginning April 18, 2019, and ending on the date that is 24 months after the date that all the modified Tranche A warrants are exercised, provided that the aggregate purchase price of the number of shares that can be purchased for cancellation shall not exceed C\$1,582,995,262. If for any reason Canopy has not purchased for cancellation the common shares required to be purchased for cancellation, CBG will be credited an amount that will reduce the aggregate exercise price otherwise payable upon each exercise of the modified Tranche B warrants and the Tranche C warrants to an amount equal to the difference between C\$1,582,995,262 and the actual price paid by Canopy in purchasing its common shares for cancellation.

Additionally, the number of modified Tranche B warrants or Tranche C warrants shall be decreased by one for each Canopy common share acquired by Constellation and its subsidiaries on the open market or in private agreement transactions with existing holders of Canopy common shares, up to an aggregate maximum reduction of 20,000,000 warrants. Absent this modification, Constellation currently cannot acquire additional Canopy common shares on the open market or in private agreement transactions with existing holders of Canopy common shares until all the CBG Warrants have been exercised or have expired.

The foregoing proposed changes are the result of Canopy's announced intention to acquire Acreage Holdings, Inc. ("Acreage") upon federal cannabis legalization in the United States, subject to certain conditions. Various approvals, including but not limited to approval by Canopy shareholders of both the Acreage transaction and the modifications to the CBG Warrants, are required for the modifications to the CBG Warrants to be effective.

Constellation Brands Enters Into Agreement with Canopy Growth Corporation to Modify Warrants and Other Rights

VICTOR, N.Y., April 18, 2019 - Constellation Brands, Inc. (NYSE: STZ and STZ.B), a leading beverage alcohol company, today announced that it plans to enter into an agreement with Canopy Growth Corporation (“Canopy”) (TSX: WEED, NYSE: CGC), a leading diversified cannabis company, to modify certain warrants and other rights. These changes are the result of Canopy’s intentions to acquire Acreage Holdings, Inc. (“Acreage”) upon U.S. Federal cannabis legalization.

Earlier today, Canopy announced (see Canopy press release “Canopy Growth Announces Option to Acquire Leading U.S. Multi-state Cannabis Operator, Acreage Holdings”) it has entered into an agreement with Acreage, a U.S. multi-state cannabis operator, where Canopy plans to acquire the shares of Acreage upon U.S. Federal cannabis legalization (the “Triggering Event”), subject to certain conditions. This transaction, as well as proposed modifications to certain Constellation warrants, are subject to approval by Canopy shareholders. Constellation has agreed to waive its veto rights to this transaction subject to certain proposed modifications to the warrants and other conditions as outlined below:

- In addition to the 18.9 million warrants associated with the November 2017 Canopy investment, Constellation also currently has 139.7 million warrants in Canopy, which upon shareholder approval would become exercisable over a period of five to eight years from November 1, 2018, compared to the previous three-year period. This includes 88.5 million Tranche A warrants, which are exercisable at a price per share of C\$50.40 and 51.2 million Tranche B warrants, of which 38.4 million, or 75 percent, are exercisable at a price per share of C\$76.68. The remaining 25 percent of the original Tranche B warrants will become Tranche C warrants and will be exercisable at Canopy’s five-day volume weighted average price of the common shares on the Toronto Stock Exchange (“VWAP”) immediately prior to exercise. If Canopy exercises its right to acquire the shares of Acreage and Constellation were to exercise all of their outstanding Canopy warrants, Constellation’s ownership in Canopy is not expected to exceed 50 percent.

	Current Warrants			Revised Warrants		
	Expiry Date	Shares	Price	Expiry Date	Shares	Price
Tranche A warrants	Nov. 1, 2021	88.5 M	C\$50.40	Nov. 1, 2023	88.5 M	C\$50.40
Tranche B warrants	Nov. 1, 2021	51.2 M	VWAP (1)	Nov. 1, 2026	38.4 M	C\$76.68 (2)
Tranche C warrants	--	--	--	Nov. 1, 2026	12.8 M	VWAP (1)

(1) Five-day VWAP of Canopy common shares on the Toronto Stock Exchange immediately prior to exercise

(2) 75 percent of original Tranche B warrants priced at Canopy stock 52-week high

Victor, NY | Chicago | San Antonio | San Francisco

- If Constellation exercises Tranche A warrants in full, Canopy has committed to repurchase the lesser of 25 percent of its issued shares to Acreage or a dollar amount equal to 25 percent of the implied enterprise value of Acreage within 24 months of the date of Constellation's warrant exercise.
- Constellation would be permitted to purchase up to 20 million Canopy shares in the open market prior to the warrants being exercised or terminated, provided that for each share purchased by Constellation, the number of Tranche B warrants is decreased by one.
- Constellation will continue to maintain its current level of representation on Canopy's Board of Directors.
