**Item 5.02      Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers;  
Compensatory Arrangements of Certain Officers.**

**(d)      Election of Directors**

On September 24, 2019, the Board of Directors of Constellation Brands, Inc. (“Constellation” or the “Company”) was expanded from ten (10) to twelve (12) members. On that date, the Board of Directors filled the additional Board seats by electing Christy Clark and Jose Manuel Madero Garza to serve as members of the Board of Directors effective immediately. It is anticipated that the Board of Directors will take action at a later date to appoint Christy Clark as a member of the Human Resources Committee of the Board of Directors and Jose Manuel Madero Garza as a member of the Audit Committee of the Board of Directors.

Ms. Clark, age 53, has served as a Senior Advisor at Bennett Jones LLP, an internationally recognized Canadian law firm, since July 2018. Prior to that, she served as the Premier of the Province of British Columbia, Canada from March 2011 through July 2017. She has served as a director of Shaw Communications Inc. (NYSE: SJR), a Canadian telecommunications company, since June 2018, and of Recipe Unlimited Corporation (TSX: RECP), a Canadian full-service restaurant company, since May 2018. She is also an Advisor for ThoughtWire Corp., an organization focused on advancing the Canadian technology sector. Ms. Clark brings to the Board extensive leadership experience, as well as valuable insights into Canadian and international markets, fiscal management and government relations.

Mr. Madero, age 51, has served as an honorary advisor of the COFINECE (national council for the promotion of investment, employment and economic growth) at the Office of the Chief of Staff of the President of Mexico since March 2019. Prior to that, he served as Chief Executive Officer of Grupo Bepensa from February 2015 through February 2019. From 2005 to 2015, Mr. Madero held various roles of growing responsibility with Monsanto Company, a global agriculture company, including Vice President of International Business Development from September 2014 to January 2015, President and Regional Lead EMEA from February 2013 to August 2014, President and Regional Lead Latin America North from August 2009 to January 2013, Vice President of Commercial Operations for Latin America South from December 2007 to August 2009, and Chief Executive Officer, Australia and New Zealand, from August 2006 to December 2007. Mr. Madero has not served as a director of any other public company during the past five years. As a former chief executive officer, Mr. Madero brings to the Board his expertise in executive leadership, international business matters, operations, and strategic planning.

The Board considers both Ms. Clark and Mr. Madero to be independent directors under the Company’s categorical standards of independence and applicable New York Stock Exchange requirements. As non-management members of the Board, Ms. Clark and Mr. Madero will receive the compensation paid to non-management directors for service on the Board and its committees. However, as they are being elected outside the annual meeting timeframe, the amount of their annual cash retainer, and the number of shares subject to their annual stock option grants and restricted stock unit awards, have been prorated from their election to the scheduled date of the Company’s next annual meeting of stockholders at which directors are elected. A description of the non-management director compensation program is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

There are no arrangements or understandings between Ms. Clark or Mr. Madero and any other person pursuant to which they were selected as a director, and there have been no transactions since the beginning of the Company’s last fiscal year, nor are there any currently proposed transactions, regarding Ms. Clark or Mr. Madero that are required to be disclosed by Item 404(a) of Regulation S-K.

**Description of Compensation Arrangements for Non-Management Directors**  
As of July 16, 2019

The following is a description of the current compensation arrangements for the non-management directors of Constellation Brands, Inc. The Company's annual compensation program for non-management directors for their service as directors consists of a board cash retainer, a lead director cash retainer, chair fees, restricted stock units, non-qualified stock options, an annual product allowance, and a matching charitable contribution program.

The board cash retainer consists of an annual retainer equal to \$100,000 paid in quarterly installments at the beginning of each fiscal quarter. The lead director cash retainer consists of a \$25,000 annual cash retainer to be paid to the Board's lead director, if any, payable in quarterly installments. The chair fees consist of annual fees of \$20,000 for the positions of Chair of the Audit Committee and Chair of the Human Resources Committee, and \$15,000 for the Chair of the Corporate Governance Committee, which are paid in quarterly installments at the beginning of each fiscal quarter.

Long-term incentive awards in the form of stock options and restricted stock units granted under the Company's Long-Term Stock Incentive Plan are another element of non-management director compensation. As approved by the Board of Directors, each non-management director receives the following annually:

1. A non-qualified stock option grant with a grant date fair value of \$55,000 computed in accordance with FASB ASC Topic 718.
2. A restricted stock unit award with a grant date fair value of \$102,500. (Each restricted stock unit is to represent a contingent right to receive one share of the Company's Class A Common Stock.)

While the Board has the flexibility to determine at the time of each grant the vesting provisions for that grant, currently stock options vest six (6) months following the date of grant and restricted stock units vest on July 1<sup>st</sup> following the date of grant. The Long-Term Stock Incentive Plan, Amended and Restated as of July 18, 2017, is filed as Exhibit 10.4 to the Company's Current Report on Form 8-K dated July 18, 2017 and filed July 20, 2017.

Non-management directors are reimbursed for reasonable expenses incurred in connection with their attendance at Board and Committee meetings. They also receive complimentary Company products having a value of up to \$5,000 and are eligible to participate in the Company's charitable matching contribution program whereby they can direct all or a portion of the Company's charitable matching contributions not in excess of \$5,000.

Members of the Board of Directors who are members of management serve without receiving any additional fees or other compensation for their service on the Board.
