## Constellation Brands Exercises Warrants to Acquire Shares in Canopy Growth, Reinforcing Confidence in Canopy Growth's Ability to Win Long-Term in Emerging Cannabis Industry

**VICTOR, N.Y. and SMITH FALLS, Ontario, May 1, 2020** - Constellation Brands, Inc. ("**Constellation Brands**") (NYSE: STZ and STZ.B), a leading beverage alcohol company, and Canopy Growth Corporation ("**Canopy Growth**") (TSX: WEED, NYSE: CGC), a leading diversified cannabis company, today announced the exercise by Greenstar Canada Investment Limited Partnership, an indirect, wholly-owned subsidiary of Constellation Brands, of an aggregate of 18,876,901 warrants to purchase common shares of Canopy Growth.

The warrants, which were originally issued on November 2, 2017, were exercised at an exercise price of C\$12.9783 per common share for an aggregate of approximately C\$245 million. Upon issuance, the common shares represented approximately 5.1% of the issued and outstanding common shares of Canopy Growth. As a result of the acquisition of new common shares, Constellation Brands now indirectly holds, in the aggregate, 142,253,802 common shares, 139,745,453 warrants to purchase common shares and C\$200,000,000 principal amount of senior notes. Collectively, the common shares increase Constellation Brand's ownership of Canopy Growth to 38.6% of the issued and outstanding common shares. Assuming full exercise of all remaining warrants and full conversion of the notes (but for these purposes excluding any effect from a Canopy Growth exercise of its right to acquire Acreage Holdings, Inc. pursuant to its option under the plan of arrangement previously announced on June 27, 2019) Constellation Brands would own approximately 55.8% of the issued and outstanding common shares of Canopy Growth.

"While global legalization of cannabis is still in its infancy, we continue to believe the long-term opportunity in this evolving market is substantial," said Bill Newlands, president and chief executive officer, Constellation Brands. "Canopy is best positioned to win in the emerging cannabis space and we are confident in the strategic direction of the company under David Klein and his team."

---

"This additional investment validates the work our team has done since attracting the initial investment in 2017. It also strengthens our ability to pursue the immense market and product opportunities available to Canopy in Canada, the U.S. and other key global markets," said David Klein, chief executive officer, Canopy Growth.

Constellation Brands may from time to time acquire or dispose of common shares or other securities of Canopy Growth or exercise its warrants in the future, either on the open market or in private transactions, in each case, depending on a number of factors, including general market and economic conditions and other available investment opportunities. Depending on market conditions, general economic and industry conditions, Canopy Growth's business and financial condition and/or other relevant factors, Constellation Brands may develop other plans or intentions in the future.
