On November 29, 2016, Constellation Brands, Inc. (the “Company”) and certain subsidiary guarantors (the “Guarantors”) entered into an underwriting agreement (the “Underwriting Agreement”) with Merrill Lynch, Pierce, Fenner & Smith Incorporated and J.P. Morgan Securities LLC, for themselves and as representatives of MUFG Securities Americas Inc., Wells Fargo Securities, LLC, Rabo Securities USA, Inc., SMBC Nikko Securities America, Inc., BBVA Securities Inc., SunTrust Robinson Humphrey, Inc., Goldman, Sachs & Co., and BNP Paribas Securities Corp., as underwriters (the “Underwriters”) for the sale by the Company of \$600 million aggregate principal amount of 3.700% Senior Notes due 2026 (the “Notes”) for a public offering price of 99.909% of the principal amount of the Notes plus accrued interest, if any, from and including December 6, 2016. The offering is being made by a prospectus dated November 29, 2016 and prospectus supplement dated November 29, 2016 filed with the Securities and Exchange Commission (“SEC”) on December 1, 2016. The Underwriters will purchase the Notes from the Company at 99.259% of their principal amount. The purchase of the Notes by the Underwriters is scheduled to close on December 6, 2016, subject to customary closing conditions. The Company intends to use the net proceeds from the offering for general corporate purposes.

The Underwriting Agreement contemplates that the Notes will be issued under an Indenture dated as of April 17, 2012 (as supplemented by Supplemental Indenture No. 11 to be dated December 6, 2016 and the other prior supplemental indentures thereto) among the Company, the Guarantors, and Manufacturers and Traders Trust Company, as trustee.

The Underwriters and their respective affiliates have performed, and may in the future perform, various commercial banking, investment banking, hedging, brokerage and advisory services for the Company and its subsidiaries for which they have received, and will receive, customary fees and expenses. In particular, affiliates of certain of the Underwriters are agents and/or lenders under the Company’s senior credit and securitization facilities and/or certain foreign credit facilities. Also, Goldman, Sachs & Co. acted as financial advisor to Home Brew Mart, Inc. in connection with the Company’s acquisition of Home Brew Mart, Inc. and received an advisory fee funded by the Company. In addition, affiliates of Merrill Lynch, Pierce, Fenner & Smith Incorporated and Goldman, Sachs & Co. are lenders under certain credit facilities to a Sands family investment vehicle that, because of its relationship with members of the Sands family, is an affiliate of the Company. Such credit facilities are secured by pledges of shares of Class A common stock of the Company, Class B common stock of the Company, or a combination thereof, and personal guarantees of certain members of the Sands family, including Richard Sands and Robert Sands.

The Company has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

The description of the Underwriting Agreement above is a summary and is qualified in its entirety by the Underwriting Agreement, which is filed herewith as Exhibit 1.1 and incorporated by reference herein and as an exhibit to the Company’s registration statement on Form S-3 (File No. 333-199293) filed with the SEC on October 14, 2014 and as amended on November 29, 2016.

1. Representations and Warranties. Each Issuer, jointly and severally, represents and warrants to, and agrees with, each Underwriter as set forth below in this Section 1.

(a) The Issuers meet the requirements for use of Form S-3 and to incorporate documents by reference under the Act and have prepared and filed with the Commission on October 14, 2014 an automatic shelf registration statement, as defined in Rule 405 (the file number of which is set forth in Schedule I hereto) on Form S-3 (File No. 333-199293), including a related Base Prospectus, for registration under the Act of the offering and sale of the Securities, and no notice of objection of the Commission to the use of such Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act has been received by the Company. No order suspending the effectiveness of the Registration Statement has been issued by the Commission and no proceeding for that purpose or pursuant to Section 8A of the Securities Act against the Company or related to the offering has been initiated or threatened by the Commission. Such Registration Statement, including any amendments thereto filed prior to the Execution Time, became effective upon filing. The Company may have filed with the Commission, as part of an amendment to the Registration Statement or pursuant to Rule 424(b), one or more preliminary prospectus supplements relating to the Securities, each of which has previously been furnished to you. The Company will file with the Commission a final prospectus supplement relating to the Securities in accordance with Rule 424(b). As filed, such final prospectus supplement shall contain all information required by the Act and the rules thereunder, and, except to the extent the Representatives shall agree in writing to a modification, shall be in all substantive respects in the form furnished to you prior to the Execution Time or, to the extent not completed at the Execution Time, shall contain only such specific additional information and other changes (beyond that contained in the Base Prospectus and any Preliminary Prospectus) as the Company has advised you, prior to the Execution Time, will be included or made therein. The Registration Statement, at the Execution Time, meets the requirements set forth in Rule 415(a)(1)(x).

(b) The Company will pay any unpaid fees required by the Commission relating to the Securities within the time required by Rule 456(b)(1) and in accordance with Rules 456(b) and 457(r).

(c) On each Effective Date, the Registration Statement did, and when the Final Prospectus is first filed in accordance with Rule 424(b) and on the Closing Date (as defined herein), the Final Prospectus (and any supplement thereto) will, comply in all

material respects with the applicable requirements of the Act, the Exchange Act and the Trust Indenture Act and the respective rules thereunder; on each Effective Date and at the Execution Time, the Registration Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; on the Effective Date and on the Closing Date the Indenture did or will comply in all material respects with the applicable requirements of the Trust Indenture Act and the rules thereunder; and the Indenture has been duly qualified under the Trust Indenture Act; and as of its date and on the Closing Date, the Final Prospectus (together with any supplement thereto) will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to (i) that part of the Registration Statement which shall constitute the Statement of Eligibility and Qualification (Form T-1) under the Trust Indenture Act of the Trustee or (ii) the information contained in or omitted from the Registration Statement or the Final Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion in the Registration Statement or the Final Prospectus (or any supplement thereto), it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8 hereof.

(d) (i) The Disclosure Package and (ii) each electronic “road show” (as defined in Rule 433) relating to the offering of the Securities that is a “written communication” under Rule 405 (each, an “**Electronic Road Show**”), when taken together as a whole with the Disclosure Package, does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8 hereof.

(e) (i) At the time of filing the Registration Statement, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Exchange Act or form of prospectus), (iii) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c)) made any offer relating to the Securities in reliance on the exemption in Rule 163, and (iv) at the Execution Time (with such date being used as the determination date for purposes of this clause (iv)), the Company was or is (as the case may be) a “well-known seasoned issuer” as defined in Rule 405.

(f) (i) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2)) of the Securities and (ii) as of the Execution Time (with such date being

used as the determination date for purposes of this clause (ii)), no Issuer was or is an Ineligible Issuer (as defined in Rule 405), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that any Issuer be considered an Ineligible Issuer.

(g) Each Issuer Free Writing Prospectus does not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated therein by reference and any prospectus supplement deemed to be a part thereof that has not been superseded or modified. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8 hereof.

(h) The Company, each of the Guarantors and each other Significant Subsidiary (as defined in Rule 1-02(w) of Regulation S-X promulgated by the Securities and Exchange Commission under the Act that is not a Guarantor) have been duly incorporated or otherwise formed or organized and are validly existing as corporations, limited liability companies, partnerships or other forms of entities, as the case may be, in good standing under the laws of their respective jurisdictions of incorporation, formation or organization, with full power and authority (including, as applicable, corporate and other) to own their properties and conduct their respective businesses as described in the Disclosure Package and the Final Prospectus and are duly qualified to transact business as foreign corporations (or other applicable form of entity) in good standing under the laws of each jurisdiction where the ownership or leasing of their respective properties or the conduct of their respective businesses require such qualification, except where the failure to be so qualified or in good standing (either in a foreign jurisdiction or, solely with respect to any Significant Subsidiary that is not a Guarantor, the jurisdiction of such Significant Subsidiary's incorporation, formation or organization) would not be reasonably expected to have a material adverse effect on the business, management, condition (financial or otherwise), results of operations or business prospects of the Company and each of its consolidated subsidiaries (the "**Subsidiaries**") considered as a whole (a "**Material Adverse Effect**"); the Company had at the dates indicated an authorized capitalization as set forth in the Disclosure Package and the Final Prospectus, and the issued shares of capital stock of the Company have been duly authorized and validly issued and are fully paid and non-assessable, and the outstanding shares of capital stock or other ownership interests of each of the Company's Subsidiaries have been duly authorized and validly issued, are fully paid and non-assessable (to the extent applicable) and are owned beneficially by the Company (except for directors' qualifying shares and as otherwise described in the Disclosure Package and the Final Prospectus) free and clear of all liens, encumbrances, equities and claims (collectively, "**Liens**") except for the Liens securing the Company's Fifth Amended and Restated Credit Agreement, dated as of October 13, 2016 (the "**Credit Agreement**"), other Liens permitted by the Credit Agreement and other Liens that are not material and except as described in the Disclosure Package and the Final Prospectus. Neither the Company nor any of the Guarantors is in violation of its respective charter, bylaws or other formation or organizational documents and neither the Company nor any

(i) The Issuers have full power and authority to enter into this Agreement and the Indenture and to issue, sell and deliver the Notes, in the case of the Company, and the Guarantees, in the case of the Guarantors, to be sold by them to the Underwriters as provided herein and therein. (j) The execution and delivery of the Base Indenture has been duly authorized by all necessary corporate or other action of the Issuers, and the Base Indenture has been duly executed and delivered in accordance with its terms by the Issuers and is a legal, valid and binding agreement of the Issuers, enforceable against the Issuers in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws relating to creditors' rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether such enforcement may be sought in a proceeding in equity or at law). The execution and delivery of the Supplemental Indenture has been duly authorized by all necessary corporate or other action of the Issuers and, when the Supplemental Indenture has been duly executed and delivered in accordance with its terms by each party thereto, the Indenture will be a legal, valid and binding agreement of the Issuers, enforceable against the Issuers in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws relating to creditors' rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether such enforcement may be sought in a proceeding in equity or at law). The issuance, execution and delivery of the Notes has been duly authorized by all necessary corporate or other action of the Company and, when executed, issued and delivered by the Company and authenticated by the Trustee and paid for in accordance with this Agreement, the Notes will be the legal, valid, binding and enforceable obligations of the Company, entitled to the benefits of

the Indenture subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether such enforcement may be sought in a proceeding in equity or at law). The issuance, execution and delivery of the Guarantees have been duly authorized by all necessary corporate or other action of each Guarantor and, when executed, issued and delivered by each Guarantor and when the Notes are authenticated by the Trustee and paid for in accordance with this Agreement, the Guarantees will be the legal, valid, binding and enforceable obligations of each Guarantor, entitled to the benefits of the Indenture subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether such enforcement may be sought in a proceeding in equity or at law). The execution and delivery of this Agreement by the Issuers has been duly authorized by all necessary corporate or other action, and this Agreement has been duly executed and delivered by the Issuers and is the valid and legally binding agreement of each of the Issuers. The Securities and the Indenture conform in all material respects to the descriptions thereof in the Disclosure Package and the Final Prospectus under the heading "Description of the Notes and the Guarantees."

(k) Except as described or referred to in the Disclosure Package and the Final Prospectus, there is not pending, or to the knowledge of the Issuers threatened, any action, suit, proceeding, inquiry or investigation to which the Company or any of the Subsidiaries is a party, or to which the property of the Company or any of the Subsidiaries is subject, before or brought by any court or governmental agency or body, which, if determined adversely to the Company or any of the Subsidiaries would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or materially adversely affect the consummation of the offering of the Securities pursuant to this Agreement; and all pending legal or governmental proceedings to which the Company or any of the Subsidiaries is a party or that affect any of their respective properties that are not described in the Disclosure Package and the Final Prospectus, including ordinary routine litigation incidental to the business, would not reasonably be expected, in the aggregate, to result in a Material Adverse Effect.

The Company will promptly advise the Representatives (i) when the Final Prospectus, and any supplement thereto, shall have been filed (if required) with the Commission pursuant to Rule 424(b), (ii) when, prior to termination of the offering of the Securities, any amendment to the Registration Statement shall have been filed or become effective, (iii) of any request by the Commission or its staff for any amendment of the Registration Statement, or any Rule 462(b) Registration Statement, or for any supplement to the Final Prospectus or for any additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any notice objecting to its use or the institution or threatening of any proceeding for that purpose or pursuant to Section 8A of the Securities Act, (v) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Securities for sale in any jurisdiction or the institution or threatening of any proceeding for such purpose and (vi) of the receipt by the Company of any notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act. The Company will use its best efforts to prevent the issuance of any such stop order or the occurrence of any such suspension or objection to the use of the Registration Statement and, upon such issuance, occurrence or notice of objection, to obtain as soon as possible the withdrawal of such stop order or relief from such occurrence or objection, including, if necessary, by filing an amendment to the Registration Statement or a new registration statement and using its best efforts to have such amendment or new registration statement declared effective as soon as practicable.

(b) To prepare a final term sheet, containing solely a description of final terms of the Securities and the offering thereof, in the form approved by the Representatives and attached as Schedule IV hereto and to file such term sheet pursuant to Rule 433(d) within the time required by such Rule.

(c) If, at any time prior to the filing of the Final Prospectus pursuant to Rule 424(b), any event occurs as a result of which the Disclosure Package would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made or the circumstances then prevailing not misleading or if it shall be necessary to amend the Disclosure Package to comply with the Act or the Exchange Act or the respective rules thereunder, the Company will, subject to the first sentence of paragraph (a) of this Section 5, (i) notify promptly the Representatives so that any use of the Disclosure Package may cease until it is amended or supplemented; (ii) amend or supplement the Disclosure

(d) If, at any time when a prospectus relating to the Securities is required to be delivered under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), any event occurs as a result of which the Final Prospectus as then supplemented would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made at such time not misleading, or if it shall be necessary to amend the Registration Statement, file a new registration statement or supplement the Final Prospectus to comply with the Act or the Exchange Act or the respective rules thereunder, including in connection with use or delivery of the Final Prospectus, the Company promptly will (i) notify the Representatives of any such event, (ii) prepare and file with the Commission, subject to the first sentence of paragraph (a) of this Section 5, an amendment or supplement or new registration statement which will correct such statement or omission or effect such compliance, (iii) use its best efforts to have any amendment to the Registration Statement or new registration statement declared effective as soon as practicable in order to avoid any disruption in use of the Final Prospectus and (iv) supply any supplemented Final Prospectus to you in such quantities as you may reasonably request.

the prior written consent of the Company, it has not made and will not make any offer relating to the Securities that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a “free writing prospectus” (as defined in Rule 405) required to be filed by the Company with the Commission or retained by the Company under Rule 433, other than in the case of any Underwriter a free writing prospectus that (a) is not an “Issuer Free Writing Prospectus” as defined in Rule 433, and (b) contains only (i) information describing the preliminary terms of the Securities or their offering, (ii) information permitted by Rule 134 under the Securities Act or (iii) information that describes the final terms of the Securities or their offering and that is included in the final term sheet of the Company contemplated in Section 5(b); provided that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Free Writing Prospectuses included in Schedule III hereto and any Electronic Road Show consented to by the Representatives. Any such free writing prospectus consented to by the Representatives or the Company is hereinafter referred to as a “**Permitted Free Writing Prospectus**.” The Company agrees that (x) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus consented to by the Representatives as an Issuer Free Writing Prospectus and (y) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

(j) The Company will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(k) The Company and the Guarantors agree to, jointly and severally, pay the costs and expenses incident to the performance of the obligations of the Issuers hereunder, including without limiting the generality of the foregoing, all cost and expenses relating to the following matters: (i) the preparation, printing or reproduction and filing with the Commission of the Registration Statement (including financial statements and exhibits thereto), each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus, and each amendment or supplement to any of them; (ii) the printing (or reproduction) and delivery (including postage, air freight charges and charges for counting and packaging) of such copies of the Registration Statement, each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus, and all amendments or supplements to any of them, as may, in each case, be reasonably requested for use in connection with the offering and sale of the Securities; (iii) the preparation, printing, authentication, issuance and delivery of certificates for the Securities, including any stamp or transfer taxes in connection with the original issuance and sale of the Securities;

(i) Subsequent to the Execution Time, there shall not have been any decrease in the rating of any of the Company's debt securities by any "nationally recognized statistical rating organization" (as defined under Section 3(a)(62) of the Exchange Act) or any notice given of any intended or potential decrease in any such rating or of a possible change in any such rating that does not indicate the direction of the possible change.

(j) FINRA has not raised any objection with respect to the fairness and reasonableness of the underwriting terms and arrangements relating to the offering of the Securities.

(k) On the date hereof, the Company shall have furnished to the Representatives a certificate of the Company, signed by the Company's Chief Financial Officer, in form and substance reasonably satisfactory to the Representatives, to the effect that the signer of such certificate (i) has reviewed (x) the audited financial statements of Crown as of December 31, 2012 and 2011 and for each of the three years in the period ended December 31, 2012 (collectively, the "**Crown Financials**") and (y) the carve-out combined financial statements of Piedras Negras Brewery Business as of December 31, 2012 and 2011 and as of January 1, 2011 and for the years ended December 31, 2012 and 2011 (collectively, the "**Piedras Negras Brewery Business Financials**"), both financials incorporated by reference in the Registration Statement, the Disclosure Package and the Final Prospectus and (ii) certifies that the Company has not become aware of any circumstances and there has not occurred any event known to the Chief Financial Officer of the Company that would require a modification of the Crown Financials for them to be in accordance with GAAP or of the Piedras Negras Brewery Business Financials for them to be in accordance with IFRS. On the Closing Date, the Representatives shall have received from the Chief Financial Officer of the Company a certificate dated such date in form and substance reasonably satisfactory to the Representatives, to the effect that he reaffirms in all material respects the statements made in the certificate furnished by him pursuant to the previous sentence of this subsection (k).

(l) On the date hereof, the Company shall have furnished to the Representatives a certificate of the Company, signed by the Company's Chief Financial Officer, in form and substance reasonably satisfactory to the Representatives, to the effect that the

signer of such certificate (i) has reviewed (x) the audited financial statements of Home Brew as of December 31, 2013 and 2014 and the years ended December 31, 2013 and 2014 and (y) the unaudited financial statements of Home Brew as of September 30, 2015 and for the nine months ended September 30, 2014 and 2015 (collectively, the “*Home Brew Financials*”), both financials incorporated by reference in the Registration Statement, the Disclosure Package and the Final Prospectus and (ii) certifies that the Company has not become aware of any circumstances and there has not occurred any event known to the Chief Financial Officer of the Company that would require a modification of the Home Brew Financials for them to be in accordance with GAAP. On the Closing Date, the Representatives shall have received from the Chief Financial Officer of the Company a certificate dated such date in form and substance reasonably satisfactory to the Representatives, to the effect that he reaffirms in all material respects the statements made in the certificate furnished by him pursuant to the previous sentence of this subsection (l).

(m) Prior to the Closing Date, the Company shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request.

If any of the conditions specified in this Section 6 shall not have been fulfilled in all material respects when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be in all material respects reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representatives. Notice of such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 6 shall be delivered at the office of Cahill Gordon & Reindel LLP counsel for the Underwriters, at 80 Pine Street, New York, New York 10005, on the Closing Date.

7. Reimbursement of Underwriters’ Expenses. If the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 6 hereof is not satisfied, because of any termination pursuant to Section 10 hereof or, because of any refusal, inability or failure on the part of the Company to perform any agreement herein or comply with any provision hereof other than by reason of a default by any of the Underwriters, the Company and the Guarantors will, jointly and severally, reimburse the Underwriters severally through Merrill Lynch, Pierce, Fenner & Smith Incorporated on demand for all reasonable out-of-pocket expenses (including reasonable fees and disbursements of counsel) that shall have been incurred by them in connection with the proposed purchase and sale of the Securities.

8. Indemnification and Contribution.

(a) Each Issuer, jointly and severally, agrees to indemnify and hold harmless each Underwriter, the directors, officers, employees, affiliates and agents of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which

they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in (i) the registration statement for the registration of the Securities as originally filed or in any amendment thereof or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action, or (ii) the Base Prospectus, any Preliminary Prospectus or any other preliminary prospectus supplement relating to the Securities, the Final Prospectus, any Issuer Free Writing Prospectus or the information contained in the final term sheet required to be prepared and filed pursuant to Section 5(b) hereto, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements, in the light of the circumstances in which they were made, therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Issuers will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion therein. This indemnity agreement will be in addition to any liability which any Issuer may otherwise have.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless each Issuer, each of its directors, each of its officers, and each person who controls any Issuer within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Issuers to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Company by or on behalf of such Underwriter through the Representatives specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have. Each Issuer acknowledges that the following statements set forth in the Preliminary Prospectus and the Final Prospectus: (i) the list of Underwriters and their respective participation in the sale of the Securities, (ii) the sentences related to concessions and reallowances and (iii) the paragraphs related to stabilization and syndicate covering transactions; constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in any Preliminary Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying

party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include any statement as to or any admission of culpability or a failure to act by or on behalf of any indemnified party.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 8 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Issuers, on the one hand, and the Underwriters, on the other, severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending the same) (collectively "**Losses**") to which any Issuer and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Issuers on the one hand and by the Underwriters on the other from the offering of the Securities; provided, however, that in no case shall any Underwriter (except as may be provided in any agreement among underwriters relating to the offering of the Securities) be responsible for any amount in excess of the underwriting discount or commission applicable to the Securities purchased by such Underwriter hereunder. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Issuers, on the one hand, and the Underwriters, on the other, severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Issuers, on the one hand, and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Issuers shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions, in

each case as set forth on the cover page of the Final Prospectus. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by any Issuer on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Issuers and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person who controls an Underwriter within the meaning of either the Act or the Exchange Act and each director, officer, employee, affiliate and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls any Issuer within the meaning of either the Act or the Exchange Act, each officer of any Issuer and each director of any Issuer shall have the same rights to contribution as the Issuers, subject in each case to the applicable terms and conditions of this paragraph (d). The Underwriters obligations to contribute pursuant to this Section 8(d) are several in proportion to their respective purchase obligations hereunder and not joint.

9. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the principal amount of Securities set forth opposite their names in Schedule II hereto bears to the aggregate principal amount of Securities set forth opposite the names of all the remaining Underwriters) the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that in the event that the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate principal amount of Securities set forth in Schedule II hereto, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Securities, and if such nondefaulting Underwriters do not purchase all the Securities, this Agreement will terminate without liability to any nondefaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 9, the Closing Date shall be postponed for such period, not exceeding five Business Days, as the Representatives shall determine in order that the required changes in the Registration Statement and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any nondefaulting Underwriter for damages occasioned by its default hereunder.

10. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representatives, by notice given to the Company prior to delivery of and payment for the Securities, if at any time prior to such delivery and payment (i) trading in the Company's Class A Common Stock shall have been suspended by the Commission or the New York Stock Exchange or trading in securities generally on the New York Stock Exchange shall have been suspended or limited or minimum prices shall have been established on such

exchange, (ii) a banking moratorium shall have been declared either by Federal or New York State authorities or (iii) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war, or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Representatives, impractical or inadvisable to proceed with the offering, sale or delivery of the Securities as contemplated by any Preliminary Prospectus or the Final Prospectus (exclusive of any amendment or supplement thereto).

11. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or the Company or any of the officers, directors, employees, agents, affiliates or controlling persons referred to in Section 8 hereof, and will survive delivery of and payment for the Securities. The provisions of Sections 5(k), 7 and 8 hereof shall survive the termination or cancellation of this Agreement.

12. Notices. All communications hereunder will be in writing and effective only on receipt, and, if sent to the Representatives, will be mailed, delivered or telefaxed to Merrill Lynch, Pierce, Fenner & Smith Incorporated, 50 Rockefeller Plaza, New York, New York 10020 (Facsimile: (212) 901-7881), Attention: Legal Department, with a copy to Cahill Gordon & Reindel LLP, 80 Pine Street, New York, New York 10005 (Facsimile: (212) 378-2383), Attention: Daniel J. Zubkoff, Esq. Notices to the Company shall be given c/o the Company at 207 High Point Drive, Building 100, Victor, New York 14564 (Facsimile: (585) 678-7118), Attention: General Counsel, with a copy to McDermott, Will & Emery LLP, 227 West Monroe Street, Chicago, Illinois 60606-5096 (Facsimile: (312) 984-7700), Attention: Bernard S. Kramer, Esq.

13. Successors. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers, directors, employees, affiliates, agents and controlling persons referred to in Section 8 hereof, and no other person will have any right or obligation hereunder.

14. No Fiduciary Duty. The Company and the Guarantors hereby acknowledge that (a) the purchase and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Company and the Guarantors, on the one hand, and the Underwriters and any affiliate through which it may be acting, on the other, (b) the Underwriters are acting as principal and not as an agent or fiduciary of the Company and the Guarantors and (c) the Company's and the Guarantors' engagement of the Underwriters in connection with the offering and the process leading up to the offering is as independent contractors and not in any other capacity. Furthermore, each of the Company and the Guarantors agrees that it is solely responsible for making its own judgments in connection with the offering (irrespective of whether any of the Underwriters has advised or is currently advising the Company or the Guarantors on related or other matters). Each of the Company and the Guarantors agrees that it will not claim that the Underwriters owe an agency, fiduciary or similar duty to the Company or the Guarantors, in connection with such transaction or the process leading thereto.

15. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the Underwriters, or any of them, with respect to the subject matter hereof.

16. Applicable Law. This Agreement and any claim, controversy or dispute arising under or related to this Agreement will be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed within the State of New York.

17. Waiver of Jury Trial. Each of the parties hereto irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

18. Counterparts. This Agreement may be signed in one or more counterparts delivered by any standard form of telecommunication or other electronic transmission, each of which shall be deemed valid and original and all of which together shall constitute one and the same agreement.

SCHEDULE IV

[See attached]

Form of Opinion of McDermott Will & Emery LLP

(i) The Company is validly existing and in good standing under the laws of the State of Delaware. The Company has the corporate power and authority to execute, deliver and perform all of its obligations under the Notes, the Indenture and the Underwriting Agreement (the “Transaction Documents”).

(ii) No consent, approval, authorization, order, registration or qualification of or with any governmental authority or agency or, to our knowledge, any court or similar body is required under the federal laws of the United States, the laws of the State of New York, the General Corporation Law of the State of Delaware, the Delaware Limited Liability Company Act and the General Corporation Law of the State of California for the execution, delivery or performance of the Transaction Documents by the Company or any Guarantor, as the case may be, except such as may be required under state securities or blue sky laws in connection with the purchase and distribution of the Securities by the Underwriters or as may be required under the rules of FINRA (as to which no opinion is required).

(iii) The execution, delivery and performance of the Transaction Documents by the Company and the application of the net proceeds from the sale of the Securities in the manner described in the Prospectus Supplement under the caption “Use of Proceeds” do not (A) violate the charter and by-laws of the Company, (B) violate, constitute a breach of or a default by the Company or any Guarantor, as the case may be, under, or result in the creation or imposition of any lien, security interest or encumbrance upon any of the assets of the Company or any Guarantor, as the case may be, pursuant to the terms of any agreement or instrument listed on Exhibit I hereto, (C) contravene the General Corporation Law of the State of Delaware or any statute, rule or regulation under the laws of the United States and the State of New York applicable to the Company or any of its properties, which in such counsel’s experience is normally applicable to transactions of the type contemplated by the Underwriting Agreement, or (D) to the knowledge of such counsel, violate any Applicable Order. [the term “Applicable Orders” means those judgments, orders or decrees of Governmental Authorities that the Company has represented to us are the only such judgments, orders or decrees applicable to the Company, any of its subsidiaries or any of their respective properties, which judgments, orders or decrees are identified on Schedule [–] to this opinion.]

(iv) The Transaction Documents have been duly authorized by the Company. The Transaction Documents and the Guarantees have been duly executed and delivered by the Company and each of the Guarantors, as applicable. The sale and the issuance of the Notes, and the execution and delivery thereof, have been duly authorized by requisite corporate action of the Company. The Securities have been duly delivered to the Underwriters by the Company and the Guarantors.

(v) The Indenture is a valid and binding agreement, and (assuming the due authorization, execution and delivery thereof by the Trustee) enforceable against the Company and each Guarantor in accordance with its terms, except to the extent that enforcement thereof

may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and general principles of equity (regardless of whether enforceability is considered in a proceeding at law or in equity). When the Notes and the Guarantees have been authenticated in accordance with the terms of the Indenture (which fact we have not determined by an inspection of the Notes or Guarantees), the Notes and the Guarantees will be valid and binding obligations of the Company and the Guarantors, respectively, entitled to the benefits of the Indenture and enforceable against the Company and the Guarantors in accordance with their terms, except to the extent that enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and general principles of equity (regardless of whether enforceability is considered in a proceeding at law or in equity).

(vi) The Securities and the Indenture conform in all material respects to the descriptions thereof in the Disclosure Package and the Final Prospectus under the heading "Description of the Notes and the Guarantees" and "Description of Debt Securities." The statements made in the Disclosure Package and the Final Prospectus under the caption "Material United States Federal Income Tax Considerations," insofar as they describe certain matters of law, are accurate in all material respects.

(vii) Upon or after the Registration Statement became effective under the Securities Act on October 14, 2014, the Indenture was qualified under the Trust Indenture Act and the Prospectus was filed with the Commission pursuant to Rule 424(b) of the Rules and Regulations on the dates specified in such opinion on the dates and, to the knowledge of such counsel, no stop order suspending the effectiveness of the Registration Statement has been issued and no proceeding for that purpose is pending or threatened by the Commission.

(viii) As of their respective dates and as of the Closing Date, each of the Registration Statement and the Prospectus and any further amendments or supplements thereto made by the Company prior to the Closing Date, and the documents incorporated by reference in the Disclosure Package and the Prospectus (other than the financial statements and supporting schedules and other financial data included therein or omitted therefrom, as to which we need express no opinion), when they were filed with the United States Securities and Exchange Commission (the "Commission"), appeared on their face to be appropriately responsive in all material respects to the requirements of the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Commission thereunder (except that such counsel will not express any opinion as to the financial statements, the notes thereto, the schedules and other financial data included therein or incorporated by reference therein or excluded therefrom, or exhibits thereto or assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Prospectus except to the extent set forth in paragraph (vi) of this opinion).

(ix) The Indenture conforms as to form in all material respects with the requirements of the Trust Indenture Act and the Trust Indenture Act Rules and Regulations.

(x) Neither the Company nor any Subsidiary is or after giving effect to the use of proceeds will be required to register under the Investment Company Act of 1940, as amended (the "1940 Act"), as an "investment company" as such term is defined in the 1940 Act.
