Any such free writing prospectus consented to by the Representatives or the Company is hereinafter referred to as a "**Permitted Free Writing Prospectus**." The Company agrees that (x) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus consented to by the Representatives as an Issuer Free Writing Prospectus and (y) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

(j) The Company will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(k) The Company and the Guarantors agree to, jointly and severally, pay the costs and expenses incident to the performance of the obligations of the Issuers hereunder, including, without limiting the generality of the foregoing, all cost and expenses relating to the following matters: (i) the preparation, printing or reproduction and filing with the Commission of the Registration Statement (including financial statements and exhibits thereto), each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus, and each amendment or supplement to any of them; (ii) the printing (or reproduction) and delivery (including postage, air freight charges and charges for

If the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 6 hereof is not satisfied, because of any termination pursuant to Section 10 hereof or because of any refusal, inability or failure on the part of the Company to perform any agreement herein or comply with any provision hereof other than by reason of a default by any of the Underwriters, the Company and the Guarantors will, jointly and severally, reimburse the Underwriters severally through Merrill Lynch, Pierce, Fenner & Smith Incorporated on demand for all reasonable out-of-pocket expenses (including reasonable fees and disbursements of counsel) that shall have been incurred by them in connection with the proposed purchase and sale of the Securities.

8. Indemnification and Contribution.

(a) Each Issuer, jointly and severally, agrees to indemnify and hold harmless each Underwriter, the directors, officers, employees, affiliates and agents of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in (i) the registration statement for the registration of the Securities as originally filed or in any amendment thereof or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action, or (ii) the Base Prospectus, any Preliminary Prospectus or any other preliminary prospectus supplement relating to the Securities, the Final Prospectus, any Issuer Free Writing Prospectus or the information contained in the final term sheet required to be prepared and filed pursuant to Section 5(b) hereof, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements, in the light of the circumstances in which they were made, therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Issuers will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion therein. This indemnity agreement will be in addition to any liability which any Issuer may otherwise have.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless each Issuer, each of its directors, each of its officers, and each person who controls any Issuer within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Issuers to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Company by or on behalf of such Underwriter through the Representatives specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have. Each Issuer acknowledges that the following statements set forth in the Preliminary Prospectus and the Final Prospectus: (i) the list of Underwriters and their respective participation in the sale of the Securities, (ii) the sentences related to concessions and reallowances and (iii) the paragraphs related to stabilization and syndicate covering transactions; constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in any Preliminary Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include any statement as to or any admission of culpability or a failure to act by or on behalf of any indemnified party.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 8 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Issuers, on the one hand, and the Underwriters, on the other, severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending the same) (collectively, "**Losses**") to which any Issuer and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Issuers on the one hand and by the Underwriters on the other from the offering of the Securities; provided, however, that in no case shall any Underwriter (except as may be provided in any agreement among underwriters relating to the offering of the Securities) be responsible for any amount in excess of the underwriting discount or commission applicable to the Securities purchased by such Underwriter hereunder. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Issuers, on the one hand, and the Underwriters, on the other, severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Issuers, on the one hand, and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Issuers shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions, in each case as set forth on the cover page of the Final Prospectus. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by any Issuer on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Issuers and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person who controls an Underwriter within the meaning of either the Act or the Exchange Act and each director, officer, employee, affiliate and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls any Issuer within the meaning of either the Act or the Exchange Act, each officer of any Issuer and each director of any Issuer shall have the same rights to contribution as the Issuers, subject in each case to the applicable terms and conditions of this paragraph (d). The Underwriters' obligations to contribute pursuant to this Section 8(d) are several in proportion to their respective purchase obligations hereunder and not joint.

9. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the principal amount of

Securities set forth opposite their names in Schedule II hereto bears to the aggregate principal amount of Securities set forth opposite the names of all the remaining Underwriters) the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that in the event that the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate principal amount of Securities set forth in Schedule II hereto, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Securities, and if such nondefaulting Underwriters do not purchase all the Securities, this Agreement will terminate without liability to any nondefaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 9, the Closing Date shall be postponed for such period, not exceeding five Business Days, as the Representatives shall determine in order that the required changes in the Registration Statement and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any nondefaulting Underwriter for damages occasioned by its default hereunder.

10. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representatives, by notice given to the Company prior to delivery of and payment for the Securities, if at any time prior to such delivery and payment (i) trading in the Company's Class A Common Stock or Class B Common Stock shall have been suspended by the Commission or the New York Stock Exchange or trading in securities generally on the New York Stock Exchange shall have been suspended or limited or minimum prices shall have been established on such exchange, (ii) a banking moratorium shall have been declared either by Federal or New York State authorities or (iii) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war, or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Representatives, impractical or inadvisable to proceed with the offering, sale or delivery of the Securities as contemplated by any Preliminary Prospectus or the Final Prospectus (exclusive of any amendment or supplement thereto).

11. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or the Company or any of the officers, directors, employees, agents, affiliates or controlling persons referred to in Section 8 hereof, and will survive delivery of and payment for the Securities. The provisions of Sections 5(k), 7 and 8 hereof shall survive the termination or cancellation of this Agreement.

12. Notices. All communications hereunder will be in writing and effective only on receipt, and, if sent to the Representatives, will be mailed, delivered or telefaxed to Merrill Lynch, Pierce, Fenner & Smith Incorporated, 50 Rockefeller Plaza, New York, New York 10020 (Facsimile: (212) 901-7881), Attention: Legal Department, with a copy to Cahill Gordon & Reindel LLP, 80 Pine Street, New York, New York 10005 (Facsimile: (212) 378-2383), Attention: Daniel J. Kramer, Esq.

13. Successors. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers, directors, employees, affiliates, agents and controlling persons referred to in Section 8 hereof, and no other person will have any right or obligation hereunder.

14. No Fiduciary Duty. The Company and the Guarantors hereby acknowledge that (a) the purchase and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Company and the Guarantors, on the one hand, and the Underwriters and any affiliate through which they may be acting, on the other, (b) the Underwriters are acting as principal and not as an agent or fiduciary of the Company and the Guarantors and (c) the Company's and the Guarantors' engagement of the Underwriters in connection with the offering and the process leading up to the offering is as independent contractors and not in any other capacity. Furthermore, each of the Company and the Guarantors agrees that it is solely responsible for making its own judgments in connection with the offering (irrespective of whether any of the Underwriters has advised or is currently advising the Company or the Guarantors on related or other matters). Each of the Company and the Guarantors agrees that it will not claim that the Underwriters owe an agency, fiduciary or similar duty to the Company or the Guarantors in connection with such transaction or the process leading thereto.

15. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the Underwriters, or any of them, with respect to the subject matter hereof.

16. Applicable Law. This Agreement and any claim, controversy or dispute arising under or related to this Agreement will be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed within the State of New York.

17. Waiver of Jury Trial. Each of the parties hereto irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

Form of Opinion of McDermott Will & Emery LLP

(i) The Company is validly existing and in good standing under the laws of the State of Delaware. The Company has the corporate power and authority to execute, deliver and perform all of its obligations under the Notes, the Indenture and the Underwriting Agreement (the "Transaction Documents").

(ii) No consent, approval, authorization, order, registration or qualification of or with any governmental authority or agency or, to our knowledge, any court or similar body is required under the federal laws of the United States, the laws of the State of New York, the General Corporation Law of the State of Delaware, the Delaware Limited Liability Company Act and the General Corporation Law of the State of California for the execution, delivery or performance of the Transaction Documents by the Company or any Guarantor, as the case may be, except such as may be required under state securities or blue sky laws in connection with the purchase and distribution of the Securities by the Underwriters or as may be required under the rules of FINRA (as to which we express no opinion).

(iii) The execution, delivery and performance of the Transaction Documents by the Company as well as the issuance and authentication of the Securities to be issued, and the application of the net proceeds from the sale of the Securities in the manner described in the Prospectus Supplement under the caption "Use of Proceeds", do not (A) violate the charter and by-laws of the Company, (B) violate, constitute a breach of or a default by the Company or any Guarantor, as the case may be, under, or result in the creation or imposition of any lien, security interest or encumbrance upon any of the assets of the Company or any Guarantor, as the case may be, pursuant to the terms of any agreement or instrument listed on Exhibit I hereto, (C) contravene the General Corporation Law of the State of Delaware or any statute, rule or regulation under the laws of the United States and the State of New York applicable to the Company or any of its properties, which in our experience is normally applicable to transactions of the type contemplated by the Underwriting Agreement, or (D) to our knowledge, violate any Applicable Order. The term "Applicable Orders" means those judgments, orders or decrees of Governmental Authorities that the Company has represented to us are the only such judgments, orders or decrees applicable to the Company, any of its subsidiaries or any of their respective properties, which judgments, orders or decrees are identified on Schedule [—] to this opinion.

(iv) The Transaction Documents have been duly authorized by the Company. The Transaction Documents and the Guarantees have been duly executed and delivered by the Company and each of the Guarantors, as applicable. The sale and the issuance of the Notes, and the execution and delivery thereof, have been duly authorized by requisite corporate action of the Company. The Securities have been duly delivered to the Underwriters by the Company and the Guarantors.

(v) The Indenture is a legal, valid and binding agreement, and (assuming the due authorization, execution and delivery thereof by the Trustee) enforceable against the Company and each Guarantor in accordance with its terms, except to the extent that enforcement

thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and general principles of equity (regardless of whether enforceability is considered in a proceeding at law or in equity). When the Notes and the Guarantees have been authenticated and delivered by the Trustee (which fact we have not determined by an inspection of the Notes or Guarantees) or an Authentication Agent (as defined in the Indenture) and issued by the Company and the Guarantors in accordance with the terms of the Indenture, the Notes and the Guarantees will be valid and legally and binding obligations of the Company and the Guarantors, respectively, entitled to the benefits of the Indenture and enforceable against the Company and the Guarantors in accordance with their terms, except to the extent that enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and general principles of equity (regardless of whether enforceability is considered in a proceeding at law or in equity).

(vi) The Securities and the Indenture conform in all material respects to the descriptions thereof in the Disclosure Package and the Final Prospectus under the heading "Description of the Notes and the Guarantees" and "Description of Debt Securities." The statements made in the Disclosure Package and the Final Prospectus under the caption "Material United States Federal Income Tax Considerations," insofar as they describe certain matters of law, are accurate in all material respects.

(vii) Upon or after the Registration Statement became effective under the Securities Act on May 2, 2017, the Indenture was qualified under the Trust Indenture Act and the Prospectus was filed with the Commission pursuant to Rule 424(b) of the Rules and Regulations on the dates specified in such opinion and, to our knowledge, no stop order suspending the effectiveness of the Registration Statement has been issued and no proceeding for that purpose is pending or threatened by the Commission.

(viii) As of their respective dates and as of the Closing Date, each of the Registration Statement and the Prospectus and any further amendments or supplements thereto made by the Company prior to the Closing Date, and the documents incorporated by reference in the Disclosure Package and the Prospectus (other than the financial statements and supporting schedules and other financial data included therein or omitted therefrom, as to which we need express no opinion), when they were filed with the United States Securities and Exchange Commission (the "Commission"), appeared on their face to be appropriately responsive in all material respects to the requirements of the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Commission thereunder (except that we do not express any opinion as to the financial statements, the notes thereto, the schedules and other financial data included therein or incorporated by reference therein or excluded therefrom, or exhibits thereto or assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Prospectus except to the extent set forth in paragraph (vi) of this opinion).

(ix) The Indenture conforms as to form in all material respects with the requirements of the Trust Indenture Act and the Trust Indenture Act Rules and Regulations.

(x) Neither the Company nor any Subsidiary is or after giving effect to the use of proceeds will be required to register under the Investment Company Act of 1940, as amended (the “1940 Act”), as an “investment company” as such term is defined in the 1940 Act.

(xi) The application of the proceeds from the sale of the Notes by the Company as set forth in the Prospectus Supplement will not violate Regulations T, U or X of the Board of Governors of the Federal Reserve System.

In rendering such opinions, such counsel may rely as to matters of fact, to the extent such counsel deems proper, on certificates or statements of responsible officers of the Company and certificates or other written statements of officials of jurisdictions having custody of documents respecting corporate existence or good standing.

Incorporated, Goldman Sachs & Co. LLC and J.P. Morgan Securities LLC, as representatives of the several underwriters listed on Schedule II thereto. Pursuant to the terms of the Indenture, the holders of Notes will be entitled to the benefit of guarantees (the "Guarantees") from each of the Guarantors.

We have examined originals or copies, certified or otherwise identified to our satisfaction, of such documents, corporate records, certificates of public officials and other instruments as we have deemed necessary or advisable for the purpose of rendering this opinion. In addition, as to certain factual matters relevant to the opinions expressed below, we have relied upon representations, statements, covenants and certificates of officers of the Company.

In our examination, we have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as copies, and the authenticity of the originals of such latter documents. We also have assumed the Indenture is the valid and legally binding obligation of the Trustee and that the Trustee is qualified under the Trust Indenture Act of 1939, as amended. In making our examination of documents executed by parties other than the Company, we have assumed that such parties had the power, corporate or other, to enter into and perform all their obligations thereunder and have also assumed the due authorization by all requisite action, corporate or other, and execution and delivery by such parties of such documents and the validity and binding effect thereof.

Based upon the foregoing and subject to the qualifications and provisions set forth herein, we are of the opinion as of this date that the Notes and the Guarantees have been duly authorized by the Company and the Guarantors and when duly authenticated by the Trustee and executed, issued and delivered by the Company and the Guarantors against payment therefor in accordance with the terms of the Underwriting Agreement and the Indenture, the Notes and the Guarantees will be valid and legally binding obligations of the Company and the Guarantors, respectively, entitled to the benefits of the Indenture and enforceable against the Company and the Guarantors in accordance with their terms.

Our opinion is qualified to the extent that enforcement of the Company's and Guarantors' respective obligations under the Indenture, the Notes and the Guarantees may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and general principles of equity (regardless of whether enforceability is considered in a proceeding at law or in equity).

We express no opinion as to the applicability of, compliance with or effect of, the law of any jurisdiction other than United States Federal law, the laws of the State of New York and, to the extent relevant to the opinions expressed herein, the General Corporation Law of the State of Delaware, the Delaware Limited Liability Company Act and the General Corporation Law of the State of California.

We hereby consent to the filing of this opinion as an exhibit to a Current Report on Form 8-K filed by the Company on the date hereof and its incorporation by reference into the Registration Statement. In giving this consent, we do not admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act.

Very truly yours,
