#### **Item 4. Purpose of Transaction**

##### Proposed Declassification Transaction

From time to time over the last several years, certain of the reporting persons have discussed with members of management and/or directors of the Company the possibility that at some point it may be desirable to seek to make changes to the existing high vote/low vote structure of the Company's common stock. These conversations have recognized that potential changes could include issuing additional high or low vote (or non-voting) stock and/or declassifying the common stock to eliminate the high vote component of the class B shares. The proposal set forth below is intended to enhance the attractiveness of the common stock to investors and to enhance the strategic flexibility of the Company for the long term, and was not made in connection with or with the intention of facilitating any specific corporate transaction.

On April 2, 2022, Robert Sands delivered the following letter to the Company:

“STRICTLY CONFIDENTIAL

##### **Re: Declassification Transaction Proposal**

Ladies and Gentlemen:

I am writing on behalf of myself, Richard Sands and other members of our extended family and related entities (the “Family”) that collectively hold over 98% of the shares of Class B common stock of Constellation Brands, Inc. (the “Company”) to propose a declassification of the Company's common stock on the terms described in this letter.

Specifically, we are proposing a transaction pursuant to which each share of Class B common stock would be converted into 1.35 shares of Class A common stock. The proposed transaction on such terms would reduce the aggregate voting power of the Family from approximately 59.5% to 19.7% of the Company. On these terms, our Family would be willing to relinquish the majority voting control which it has exercised since the inception of the Company. We believe the premium included in our proposal is supported by precedent transactions and appropriate given the significant benefits that would accrue to the Company and our stockholders. For example, a simplified structure would be better aligned with the “one vote per share” governance that is widely supported by corporate governance experts, and will increase market demand from investors who prefer single-class structures.

We would require that the proposed transaction be subject to specified terms and conditions to be set forth in definitive documentation, including that the completion of any such transaction be expressly conditioned on the procedures described in *Kahn v. M&F Worldwide Corp.* and its progeny. Accordingly, any consideration payable to the holders of Class B common stock in the potential transaction would (among other things) have to be approved (1) by a fully empowered special committee of independent directors of the Board of Directors of the Company and (2) by the holders of a majority of the Class A common stock that do not also hold shares of Class B common stock. The Family, in their capacity as holders of Class B common stock, will not pursue any transaction not expressly conditioned on these procedures. Our proposal also contemplates that the Company would fully indemnify and reimburse the Family with respect to its participation in the transaction, including its out-of-pocket expenses.

We are very proud of the leadership that our Family has provided to the Company over the past 70 years; just as we are pleased with the success that the Company has experienced over the past three years under the leadership of its first non-Family CEO. We believe that a declassification will help the Company continue in its growth, and that our stockholders would overwhelmingly support the proposed transaction. However, as we have stated in the past, we also would be pleased to maintain our ability to control the Company through our holdings of Class A and Class B common stock if the Board or shareholders prefer the status quo.

Please note that this letter is non-binding and any possible transaction contemplated by this letter would be subject to, among other things, negotiation of mutually acceptable definitive documentation with terms appropriate for a transaction of this type. We look forward to hearing from you, and remain committed to working with the Board for the benefit of the Company and its stockholders.

Sincerely,

/s/ Robert Sands  
Robert Sands"

- (1) The numbers and percentages reported do not take into account shares of Class A Stock that can be received upon the conversion of Class 1 Stock owned as of December 31, 2021 or that can be purchased by exercising stock options that are exercisable on or within sixty (60) days after December 31, 2021 (together, the “Class 1 Shares”). These shares are not taken into account because, in accordance with the Company’s certificate of incorporation, any shares of Class A Stock issued upon conversion of shares of Class 1 Stock must be sold immediately in connection with the conversion and, therefore, cannot be held by the beneficial owner of the Class 1 Shares. However, the numbers of shares and percentages of ownership taking into account the shares of Class A Stock that can be received upon the conversion of Class 1 Shares are provided in footnotes where appropriate.
- (2) The reported shares of Class A Stock with respect to which Robert Sands has sole power to vote or dispose (i) include 549,301 shares of Class A Stock held by RSS Master LLC, a limited liability company that is owned by a trust for which Mr. Sands serves as trustee and sole beneficiary, and (ii) as noted in footnote (1), exclude 1,244,467 shares of Class A Stock that can be received upon conversion of Class 1 Shares held by RSS Master LLC. If the shares of Class A Stock that can be received upon the conversion of the Class 1 Shares were included in the shares of Class A Stock beneficially owned by Mr. Sands, Mr. Sands would beneficially own a total of (i) 8,160,653 shares of Class A Stock, representing 5.0% of the outstanding Class A Stock, if the shares of Class B Stock beneficially owned by Mr. Sands were not converted, and (ii) 30,907,439 shares of Class A Stock, representing 16.4% of the outstanding Class A Stock, if the shares of Class B Stock beneficially owned by Mr. Sands were converted.
- (3) The reported shares of Class A Stock over which Robert Sands has the shared power to vote or dispose include (i) 874,443 shares of Class A Stock held by two family foundations where Robert Sands serves as a director and officer, and (ii) 16,592 shares of Class A Common Stock held directly by a nonreporting person for which Mr. Sands was granted a power of attorney. Mr. Sands disclaims beneficial ownership of such shares. The reported shares of Class A Stock and Class B Stock over which Robert Sands has the shared power to dispose also include 5,483,842 shares of Class A Stock and 22,746,786 shares of Class B Stock held by several family limited partnerships of which Mr. Sands indirectly controls a co-general partner. The reporting of these shares as beneficially owned by Mr. Sands shall not be construed as an admission that Mr. Sands is the beneficial owner of such shares for purposes of Sections 13(d) or 13(g) of the Exchange Act or otherwise. The reported shares are also included in the shares reported as beneficially owned by Richard Sands and the stockholders group described in footnote (9). Amounts reflected in the tables above do not include 21,098 shares of Class A Stock owned directly, or indirectly, by Robert Sands’ spouse. Mr. Sands disclaims beneficial ownership of such shares.

- (4) The reported shares of Class A Stock with respect to which Richard Sands has sole power to vote or dispose (i) include 149,876 shares of Class A Stock held by RES Master LLC, a limited liability company that is wholly-owned by a trust, for which Mr. Sands serves as trustee and sole beneficiary, and (ii) as noted in footnote (1), exclude 952,282 shares of Class A Stock that can be received upon conversion of Class 1 Shares, and the reported shares of Class B Stock with respect to which Richard Sands has sole power to vote or dispose include 37,350 shares of Class B Stock held by RES Master LLC. If the shares of Class A Stock that can be received upon the conversion of Mr. Sands' Class 1 Shares were included in the shares of Class A Stock beneficially owned by Mr. Sands, Mr. Sands would beneficially own a total of (i) 7,460,443 shares of Class A Stock, representing 4.5% of the outstanding Class A Stock, if the shares of Class B Stock beneficially owned by Mr. Sands were not converted, and (ii) 30,207,229 shares of Class A Stock, representing 16.1% of the outstanding Class A Stock, if the shares of Class B Stock beneficially owned by Mr. Sands were converted.
- (5) The reported shares of Class A Stock over which Richard Sands has the shared power to vote or dispose include (i) 874,443 shares of Class A Stock held by two family foundations where Mr. Sands serves as a director and officer, (ii) 43 shares of Class A Stock held by certain trusts for which Mr. Sands serves as co-trustee, of which neither he nor any of his immediate family members are beneficiaries, and (iii) 16,592 shares of Class A Stock held directly by a non-reporting person for which Mr. Sands was granted a power of attorney. Mr. Sands disclaims beneficial ownership of such shares. The reported shares of Class A Stock and Class B Stock over which Richard Sands has the shared power to dispose also include 5,483,842 shares of Class A Stock and 22,746,786 shares of Class B Stock held by several family limited partnerships of which Mr. Sands indirectly controls a co-general partner. The reporting of these shares as beneficially owned by Mr. Sands shall not be construed as an admission that Mr. Sands is the beneficial owner of such shares for purposes of Sections 13(d) or 13(g) of the Exchange Act or otherwise. The reported shares are also included in the shares reported as beneficially owned by Robert Sands and the stockholders group described in footnote (9). Amounts reflected in the tables above do not include 15,720 shares of Class A Stock owned by Richard Sands' spouse. Mr. Sands disclaims beneficial ownership of such shares.
- (6) The reported shares of Class A Stock and Class B Stock over which Abigail Bennett has the sole power to vote and dispose include 20,615 shares of Class A Stock and 20,695 shares of Class B Stock held by family owned limited liability companies of which Ms. Bennett is the manager. The reporting of such shares as beneficially owned by Ms. Bennett shall not be construed as an admission that she is the beneficial owner of such shares for purposes of Sections 13(d) or 13(g) of the Exchange Act or otherwise.
- (7) The reported shares of Class A Stock and Class B Stock over which Ms. Bennett and Mr. Stern have shared power to dispose include 1,190,908 shares of Class A Stock and 8,073,856 shares of Class B Stock held by A&Z 2015 Holdings. The reporting of such shares as beneficially owned by Ms. Bennett and Mr. Stern shall not be construed as an admission that either of them is the beneficial owner of such shares for purposes of Sections 13(d) or 13(g) of the Exchange Act or otherwise. The reported shares are also included in the shares reported as beneficially owned by Robert Sands, Richard Sands, Astra Legacy LLC and the stockholders group described in footnote (9).
- (8) Astra Legacy LLC serves as voting manager to various Sands family entities. Certain of the reported shares are also included in the number of shares beneficially owned by each such entity, Robert Sands, Richard Sands, Abigail Bennett, Zachary Stern, and the stockholders group described in footnote (9).
- (9) The stockholders group, as reported, consists of Robert Sands, Richard Sands, Astra Legacy and WildStar Partners. The reporting of shares as beneficially owned by the stockholders group shall not be construed as an admission that an agreement to act in concert exists or that the stockholders group is the beneficial owner of such shares for purposes of Sections 13(d) or 13(g) of the Securities Exchange Act of 1934 or otherwise. The shares reported as beneficially owned by Robert Sands, Richard Sands, Astra Legacy and WildStar Partners are included in the shares reported as beneficially owned by the stockholders group. If the shares of Class A Stock that can be received upon the conversion of Robert Sands' and Richard Sands' Class 1 Shares were included in the shares of Class A Stock beneficially owned by the stockholders group, the stockholders group would beneficially own a total of (i) 9,262,811 shares of Class A Stock, representing 5.6% of the outstanding Class A Stock, if the shares of Class B Stock beneficially owned by the stockholders group were not converted, and (ii) 32,046,947 shares of Class A Stock, representing 16.9% of the outstanding Class A Stock, if the shares of Class B Stock beneficially owned by the stockholders group were converted. Certain shares of Class A Stock and Class B Stock were pledged as set forth in Item 6 below. All of these pledged shares are included in the shares reported as beneficially owned by the stockholders group. Subject to the terms of the various credit facilities, the number of shares of Class A Stock and Class B Stock pledged to secure the credit facilities may increase or decrease from time to time and may be moved by the applicable pledgors among the various financial institutions from time to time. In the event of noncompliance with certain covenants under the credit facilities, the financial institutions have certain remedies including the right to sell the pledged shares subject to certain protections afforded to the borrowers and pledgors. However, pursuant to the terms of the various credit facilities, the financial institutions would be required to convert the Class B Stock to Class A Stock prior to any sales.

None of the Reporting Persons has engaged in any transaction involving any Class A Stock or Class B Stock during the past sixty (60) days of the date hereof.
