Such information may be incorporated by reference in another filing under the Securities Exchange Act of 1934 or the Securities Act of 1933 only if and to the extent such subsequent filing specifically references the information incorporated by reference herein.

Item 8.01 Other Events.

On May 6, 2026, the Company and Manufacturers and Traders Trust Company, as trustee (the “Trustee”), entered into Supplemental Indenture No. 37 (the “Supplemental Indenture”), dated as of May 6, 2026, which supplemented the Indenture, dated as of April 17, 2012 (the “Base Indenture” and together with the Supplemental Indenture and the other prior supplemental indentures thereto, the “Indenture”). Under the Indenture, the Company issued \$500.0 million aggregate principal amount of 4.850% Senior Notes due 2031 (the “Notes”) for a public offering price of 99.943% of the principal amount of such notes.

The Notes were registered under the Securities Act of 1933, as amended, pursuant to the Company’s Registration Statement on Form S-3 (File No. 333-291350) filed with the Securities and Exchange Commission (the “SEC”) on November 7, 2025 (the “Registration Statement”).

The Company will pay interest on the Notes on May 6 and November 6 of each year, commencing on November 6, 2026. The Notes will mature on May 6, 2031. The Company may redeem the Notes, in whole or in part, at its option, under the terms provided in the Supplemental Indenture. reorganization of the Company. If an event of default has occurred and is continuing, the Trustee or the holders of not less than 25% in aggregate principal amount of the Notes then outstanding may, and the Trustee at the request of the holders of not less than 25% in aggregate principal amount of the Notes then outstanding shall, declare all unpaid principal of, premium, if any, and accrued interest on all the Notes to be due and payable. The Supplemental Indenture also contains customary covenants including with respect to liens and on sale and leaseback transactions. Terms of the Indenture and the Notes are more fully described in the section entitled "Description of the Notes" of the Prospectus Supplement dated May 4, 2026, that was filed with the SEC on May 5, 2026.

The foregoing description of the Supplemental Indenture is a summary, does not purport to be complete, and is qualified in its entirety by reference to (i) Supplemental Indenture No. 37 filed as Exhibit 4.1 hereto (and the form of 4.850% Senior Notes due 2031, which is included in Exhibit 4.1 hereto), which is incorporated by reference into this Item 8.01, and (ii) the Base Indenture, which was filed as Exhibit 4.1 to the Company's Current Report on Form 8-K filed with the SEC on April 23, 2012.

There shall be a series of Debt Securities designated the “4.850% Senior Notes due 2031” (the “*Notes*”).

SECTION 2.2. Limitation on Aggregate Principal Amount.

The aggregate principal amount of the Notes shall not be limited. The Company shall not execute and the Trustee shall not authenticate or deliver Notes except as permitted by the terms of the Indenture.

SECTION 2.3. Interest and Interest Rates; Maturity Date of Notes.

The Notes will mature on May 6, 2031 and will be unsecured senior obligations of the Company. Each Note will bear interest at the rate of 4.850% per annum from May 6, 2026 or from the most recent interest payment date to which interest has been paid or duly provided

for, payable semi-annually on May 6 and November 6 of each year (each an “*Interest Payment Date*”), commencing November 6, 2026, until the principal thereof is paid or duly provided for, to the Person in whose name the Note (or any predecessor Note) is registered at the close of business on April 21 or October 22, as applicable, next preceding such Interest Payment Date. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months. The interest so payable on any Note which is not punctually paid or duly provided for on any Interest Payment Date shall forthwith cease to be payable to the Person in whose name such Note is registered on the relevant regular record date, and such defaulted interest shall instead be payable to the Person in whose name such Note is registered on the special record date or other specified date determined in accordance with the Indenture.

If any Interest Payment Date or Stated Maturity falls on a day that is not a Business Day, the required payment shall be made on the next Business Day as if it were made on the date such payment was due and no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date or Stated Maturity, as the case may be.

SECTION 2.4. Optional Redemption.

Prior to April 6, 2031 (one month prior to the maturity date of the Notes) (the “*Par Call Date*”), the Company may redeem the Notes at the Company’s option, in whole or in part, at any time and from time to time, at a redemption price (expressed as a percentage of the principal amount and rounded to three decimal places) equal to the greater of:

(b) 100% of the principal amount of the Notes to be redeemed,

plus, in either case, accrued and unpaid interest thereon to the redemption date.

On or after the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest thereon to the redemption date.

The Company’s actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error.

Notice of any redemption shall be mailed or electronically delivered (or otherwise transmitted in accordance with the depository’s procedures) at least 10 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed. Any redemption or notice of any redemption may, at the Company’s discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an equity offering, other offering, issuance of indebtedness or other transaction or event.

In the case of a partial redemption, selection of the Notes for redemption shall be made pro rata, by lot or by such other method as the Trustee in its sole discretion deems appropriate and fair. No Notes of a principal amount of \$2,000 or less shall be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption that relates to the Note shall state the portion of the principal amount of the Note to be redeemed. A new Note in a principal amount equal to the unredeemed portion of the Note shall be issued in the name of the Holder of the Note upon surrender for cancellation of the original Note. For so long as the Notes are held by The Depository Trust Company (the “*Depository*” or “*DTC*”) (or another depository), the redemption of the Notes shall be done in accordance with the policies and procedures of the Depository.

Unless the Company defaults in payment of the redemption price, on and after the redemption date interest shall cease to accrue on the Notes or portions thereof called for redemption.

The provisions of Sections 5.2, 5.3 and 5.6 of the Initial Indenture shall be applicable to any optional redemption of the Notes, except to the extent that the terms of such provisions conflict with this Section 2.4. With respect to the Notes (but not with respect to any other series of Debt Securities), to the extent inconsistent with the provisions contained in the Initial Indenture, the provisions set forth in this Section 2.4 of this Supplemental Indenture shall govern.

Principal of, premium, if any, and interest on the Notes will be payable, and the Notes will be exchangeable and transferable, at the office or agency of the Company in the United States of America maintained for such purposes (which initially will be the Trustee); *provided, however*, that payment of interest may be made at the option of the Company by check mailed to the Person entitled thereto as shown on the security register.

SECTION 2.8. Registered Securities: Global Form.

The Notes shall be issuable only in fully registered form, without coupons, in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. No service charge will be made for any registration of transfer, exchange or redemption of Notes, except in certain circumstances for any tax or other governmental charge that may be imposed in connection therewith. The depository for the Notes shall be DTC. The Notes shall not be issuable in definitive form.

SECTION 2.9. Form of Notes.

SECTION 3.2. Purchase of Notes upon a Change of Control Triggering Event.

(a) If a Change of Control Triggering Event shall occur at any time, then each Holder of Notes shall have the right to require that the Company purchase such Holder's Notes in whole or in part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof), at a purchase price (the "Change of Control Purchase Price") in cash in an amount equal to 101% of the principal amount of such Notes, plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (the "Change of Control Purchase Date"), pursuant to the offer described in

(c) Upon receipt by the Company of the proper tender of Notes, the Holder of the Note in respect of which such proper tender was made shall (unless the tender of such Note is properly withdrawn) thereafter be entitled to receive solely the Change of Control Purchase Price with respect to such Note. (f) Subject to applicable escheat laws, as provided in the Notes, the Trustee and the Paying Agent shall return to the Company any cash that remains unclaimed, together with interest or dividends, if any, thereon, held by them for the payment of the Change of Control Purchase Price; *provided, however*, that, (x) to the extent that the aggregate amount of cash deposited by the Company pursuant to clause (ii) of paragraph (d) above exceeds the aggregate Change of Control Purchase Price of the Notes or portions thereof to be purchased, then the Trustee shall hold such excess for the Company and (y) unless otherwise directed by the Company in writing, promptly after the Business Day following the Change of Control Purchase Date the Trustee shall return any such excess to the Company together with interest, if any, thereon.

(g) Notwithstanding the foregoing, the Company shall not be required to make a Change of Control Offer following a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 3.2 applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(h) The Company shall comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act, and any other applicable securities laws or regulations in connection with a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Indenture or the Notes, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the Indenture or the Notes as a result thereof.

SECTION 3.3. Limitation on Sale and Leaseback Transactions.

So long as any of the Notes remain Outstanding, neither the Company nor any Subsidiary shall enter into any arrangement with any Person (other than the Company or any Subsidiary) whereby the Company or a Subsidiary agrees to lease any Principal Property (except for leases for a term of not more than three years) which has been or is to be sold or transferred more than 120 days after the later of (i) such Principal Property having been acquired by the Company or a Subsidiary and (ii) completion of construction and commencement of full operation thereof, by the Company or a Subsidiary to that Person unless (a) the net proceeds to the Company or a Subsidiary from the sale or transfer equal or exceed the fair value, as

determined by the Board of Directors, of the Principal Property so leased, (b) immediately after giving effect to such Sale and Leaseback Transaction, the Company's Consolidated Fixed Charge Coverage Ratio would be greater than 2.0 to 1.0, or (c) the Company, within 120 days after the effective date of the Sale and Leaseback Transaction, applies an amount equal to the fair value as determined by the Company's Board of Directors of the Principal Property so leased to (x) the pre-payment or retirement of the Company's Funded Debt, which may include the Notes or (y) the acquisition of additional real property for the Company or any Subsidiary. A Sale and Leaseback Transaction shall not include any such arrangement for financing air, water or noise pollution control facilities or sewage or solid waste disposal facilities or involving industrial development bonds which are tax-exempt pursuant to Section 103 of the Code (or which receive similar tax treatment under any subsequent amendments thereto or successor laws thereof).

SECTION 3.4. [Reserved].

SECTION 3.5. Waiver of Certain Covenants.

The Company may omit in a particular instance to comply with any covenant or condition set forth in Sections 3.1 through 3.4, if, before or after the time for such compliance, the Holders of not less than a majority in aggregate principal amount of the Notes at the time Outstanding shall, by act of such Holders, waive such compliance in such instance with such covenant or condition, except as provided in Section 8.2, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

SECTION 4.1. Legal Defeasance.

The Company will be deemed to have paid and the Company will be discharged from any and all obligations in respect of the Notes on the 91st day after the date of the deposit referred to in clause (a) of this Section 4.1, and the provisions of this Supplemental Indenture will no longer be in effect with respect to the Notes, and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same if:

(a) the Company has irrevocably deposited or caused to be irrevocably deposited with the Trustee and conveyed all right, title and interest to the Trustee for the benefit of the Holders of Notes, under the terms of an irrevocable trust agreement in form and substance satisfactory to the Trustee as trust funds in trust, specifically pledged to the Trustee for the benefit of such Holders as security for payment of the principal of and interest, if any, on the Notes, and dedicated solely to, the benefit of such Holders, in and to (1) money in an amount, (2) United States Government Obligations that, through the payment of interest and principal in respect thereof in accordance with their terms,

will provide, not later than one day before the due date of any payment referred to in this clause (a), money in an amount or (3) a combination thereof in an amount sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, without consideration of the reinvestment of such interest and after payment of all federal, state and local taxes or other charges and assessments in respect thereof payable by the Trustee, the principal of and interest on the Outstanding Notes on the Stated Maturity of such principal or interest; provided, that the Trustee shall have been irrevocably instructed to apply such money or the proceeds of such United States Government Obligations to the payment of such principal and interest with respect to the Notes;

(b) the Company has delivered to the Trustee either (x) an Opinion of Counsel to the effect that Holders of Notes will not recognize income, gain or loss for federal income tax purposes as a result of the Company's exercise of its option under this Section 4.1 and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case if such option had not been exercised, which Opinion of Counsel shall be based upon (and accompanied by a copy of) a ruling of the Internal Revenue Service to the same effect unless there has been a change in applicable federal income tax law after the Issue Date such that a ruling is no longer required or (y) a ruling directed to the Trustee received from the Internal Revenue Service to the same effect as the aforementioned Opinion of Counsel;

(c) immediately after giving effect to such deposit, on a pro forma basis, no Default or Event of Default with respect to the Notes shall have occurred and be continuing on the date of such deposit or, insofar as Sections 5.1(f) and 5.1(g) are concerned, at any time during the period ending on the 91st day after such date of such deposit; and

(d) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, in each case stating that all conditions precedent provided for herein relating to the defeasance contemplated by this Section 4.1 have been complied with.

Notwithstanding the foregoing paragraph, the Company's obligations in Sections 2.4, 2.6, 2.8, 2.9, 2.10, 2.12, 2.13, 4.1, 4.2, 11.2 (as amended hereby) and 11.6 of the Initial Indenture and Sections 4.4, 4.5 and 5.1 hereof shall survive until the Notes are no longer Outstanding. Thereafter, the Company's obligations in Sections 4.4 and 4.5 hereof shall survive and Section 11.2 (as amended hereby) of the Initial Indenture shall survive.

After any such irrevocable deposit, the Trustee upon request shall acknowledge in writing the discharge of the Company's obligations under the Notes and the Indenture with respect to the Notes except for those surviving obligations in the immediately preceding paragraph.

SECTION 4.2. Defeasance of Certain Obligations.

The Company may omit to comply with any term, provision or condition set forth in Sections 3.1, 3.2, 3.3 and 3.4 hereof and a breach with respect to Sections 3.1, 3.2, 3.3 or 3.4 shall be deemed not to be an Event of Default, in each case with respect to the Outstanding Notes if:

(a) with reference to this Section 4.2, the Company has irrevocably deposited or caused to be irrevocably deposited with the Trustee (or another trustee satisfying the requirements of the Initial Indenture) and conveyed all right, title and interest to the Trustee for the benefit of the Holders of Notes, under the terms of an irrevocable trust agreement in form and substance satisfactory to the Trustee as trust funds in trust, specifically pledged to the Trustee for the benefit of such Holders as security for payment of the principal of and interest, if any, on the Notes, and dedicated solely to, the benefit of such Holders, in and to (A) money in an amount, (B) United States Government Obligations that, through the payment of interest and principal in respect thereof in accordance with their terms, will provide, not later than one day before the due date of any payment referred to in this clause (a), money in an amount or (C) a combination thereof in an amount sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, without consideration of the reinvestment of such interest and after payment of all federal, state and local taxes or other charges and assessments in respect thereof payable by the Trustee, the principal of and interest on the Outstanding Notes on the Stated Maturity of such principal or interest; *provided*, that the Trustee shall have been irrevocably instructed to apply such money or the proceeds of such United States Government Obligations to the payment of such principal and interest with respect to the Notes;

(b) the Company has delivered to the Trustee an Opinion of Counsel to the effect that the Holders of Notes will not recognize income, gain or loss for United States federal income tax purposes as a result of such deposit and defeasance of such covenants and Events of Default and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(c) immediately after giving effect to such deposit on a pro forma basis, no Default or Event of Default with respect to the Notes shall have occurred and be continuing on the date of such deposit or, insofar as Sections 5.1(f) and 5.1(g) are concerned, at any time during the period ending on the 91st day after such date of such deposit;

(d) if the Notes are then listed on a national securities exchange, the Company has delivered to the Trustee an Opinion of Counsel to the effect that the Notes will not be delisted as a result of such deposit, defeasance and discharge; and

(e) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, in each case stating that all conditions precedent provided for herein relating to the defeasance contemplated by this Section 4.2, have been complied with.

SECTION 4.3. Application of Trust Money.

Subject to Section 4.5, the Trustee or Paying Agent shall hold in trust money or United States Government Obligations deposited with it pursuant to Section 4.1 or 4.2, as the case may be, and shall apply the deposited money and the proceeds from United States Government Obligations in accordance with the Notes and this Supplemental Indenture to the payment of principal of and interest on the Notes; but such money need not be segregated from other funds except to the extent required by law.

SECTION 4.4. Repayment to Company.

Subject to Sections 4.1 or 4.2, the Trustee and the Paying Agent shall promptly pay to the Company upon request set forth in an Officers' Certificate any excess money held by them at any time and thereupon shall be relieved from all liability with respect to such money. The Trustee and the Paying Agent shall pay to the Company upon request any money held by them with respect to the Notes for the payment of principal or interest that remains unclaimed for two years; *provided*, that the Trustee or Paying Agent before being required to make any payment may cause to be published at the expense of the Company once in a newspaper of general circulation in the City of New York or mail to each Holder of Notes entitled to such money at such Holder's address notice that such money remains unclaimed and that after a date specified therein (which shall be at least 30 days from the date of such publication or mailing) any unclaimed balance of such money then remaining will be repaid to the Company. After payment to the Company, Holders of Notes entitled to such money must look to the Company for payment as general creditors unless an applicable law designates another Person, and all liability of the Trustee and such Paying Agent with respect to such money shall cease.

SECTION 4.5. Reinstatement.

If the Trustee or Paying Agent is unable to apply any money or United States Government Obligations in accordance with Section 4.1 or 4.2, as the case may be, by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under the Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 4.1 or 4.2, as the case may be, until such time as the Trustee or Paying Agent is permitted to apply all such money or United States Government Obligations in accordance with Section 4.1 or 4.2, as the case may be; *provided*, that, if the Company has made any payment of principal of or interest on any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of Notes to receive such payment from the money or United States Government Obligations held by the Trustee or Paying Agent.

ARTICLE FIVE
REMEDIES

The following provisions of this Article Five shall apply to the Notes (but not with respect to any other series of Debt Securities) and shall replace in its entirety Section 7.1 of the Initial Indenture.

(c) there shall be a default in the performance, or breach, of any other covenant or agreement of the Company contained in the Notes or in the Indenture, and continuance of such default or breach for a period of at least 90 days after the date on which written notice specifying such default or breach and requiring the Company to remedy the same and stating that such notice is a “Notice of Default” hereunder shall have been given to the Company by the Trustee, or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the then Outstanding Notes; *provided* that, notwithstanding the foregoing, in no event shall an Event of Default with respect to any failure by the Company to comply with Section 4.5 of the Initial Indenture or any failure by the Company to comply with the requirements of Section 314(a)(1) of the Trust Indenture Act be deemed to have occurred unless (x) the report, document, or other information required pursuant to such sections is past due under the Initial Indenture by at least 180 days and (y) such failure to comply has not been cured or waived prior to the 90th day after written notice to the Company by the Trustee or to the Company and the Trustee from the Holders of not less than 25% of the aggregate principal amount of the then Outstanding Notes;

(d) the failure by the Company to make any payment, on or before the end of the applicable grace period, after the maturity of any indebtedness of the Company with an aggregate principal amount then outstanding in excess of \$200.0 million or the acceleration of indebtedness of the Company with an aggregate principal amount then outstanding in excess of \$200.0 million as a result of a default with respect to such indebtedness, and such indebtedness, in either case, is not discharged or such acceleration shall not have been cured, waived, rescinded or annulled within a period of 30 days after there shall have been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Outstanding Notes, a written notice specifying such failure to pay or acceleration and requiring the Company to cause such acceleration to be cured, waived, rescinded or annulled or to cause such indebtedness to be discharged and stating that such notice is a “Notice of Default” hereunder;

(e) [reserved];

(f) there shall have been the entry by a court of competent jurisdiction of (i) a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable Bankruptcy Law or (ii) a decree or order adjudging the

Company bankrupt or insolvent, or seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable federal or state law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Company or of any substantial part of their respective Properties, or ordering the winding up or liquidation of their affairs, and any such decree or order for relief shall continue to be in effect, or any such other decree or order shall be unstayed and in effect, for a period of 60 consecutive days; or

(g) (i) the Company commences a voluntary case or proceeding under any applicable Bankruptcy Law or any other case or proceeding to be adjudicated bankrupt or insolvent, (ii) the Company consents to the entry of a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable Bankruptcy Law or to the commencement of any bankruptcy or insolvency case or proceeding against it, (iii) the Company files a petition or answer or consent seeking reorganization or relief under any applicable federal or state law or (iv) the Company (1) consents to the filing of such petition or the appointment of, or taking possession by, a custodian, receiver, liquidator, assignee, trustee, sequestrator or similar official of the Company or of any substantial part of its Properties, or (2) makes an assignment for the benefit of creditors.

The Company shall deliver to the Trustee within five days after the occurrence thereof, written notice, in the form of an Officers' Certificate, of any Default, its status and what action the Company is taking or proposes to take with respect thereto.

SECTION 5.2. Acceleration of Maturity; Rescission and Annulment.

If an Event of Default shall occur and be continuing (other than an Event of Default pursuant to Section 5.1(f) or 5.1(g) with respect to the Company), the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes then Outstanding may, and the Trustee at the request of the Holders of not less than 25% in aggregate principal amount of the Notes then Outstanding shall, declare all unpaid principal of, premium, if any, and accrued interest on all the Notes to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by the Holders of the Notes). If an Event of Default pursuant to Section 5.1(f) or (g) shall occur and be continuing, all unpaid principal of, premium, if any, and accrued interest on all the Notes shall be due and payable immediately without any declaration or other act on the part of the Trustee or any Holder. Thereupon such principal shall become immediately due and payable, and the Trustee may, at its discretion, proceed to protect and enforce the rights of the Holders of Notes by appropriate judicial proceeding.

At any time after such acceleration has occurred but before a judgment or decree for payment of the money due has been obtained by the Trustee, the Holders of a majority in aggregate principal amount of the Notes Outstanding, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(a) the Company has paid or deposited with the Trustee a sum sufficient to pay

(i) all sums paid or advanced by the Trustee under Section 11.2 (as amended hereby) of the Initial Indenture and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel,

(ii) to the extent payment of such interest is lawful, if interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid, and

(iii) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate borne by the Notes;

(b) all Events of Default, other than the non-payment of principal of the Notes which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 7.5 of the Initial Indenture; and

(c) the rescission will not conflict with any judgment or decree.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

ARTICLE SIX
MISCELLANEOUS PROVISIONS

SECTION 6.1. Ratification of Indenture.

Except as expressly modified or amended hereby with respect to the Notes, the Initial Indenture continues in full force and effect and is in all respects confirmed and preserved.

SECTION 6.2. Governing Law.

This Supplemental Indenture and the Notes will be governed by, and construed in accordance with, the laws of the State of New York, without giving effect to the conflicts of law principles thereof. This Supplemental Indenture is subject to the provisions of the Trust Indenture Act and shall, to the extent applicable, be governed by such provisions.

SECTION 6.3. Counterparts.

This Supplemental Indenture may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

SECTION 6.4. Exclusive Jurisdiction.

With respect to the Notes (but not with respect to any other series of Debt Securities), the parties hereby (i) irrevocably submit to the exclusive jurisdiction of any federal court sitting in the Borough of Manhattan, the city of New York, (ii) waive any objection to laying of venue in any such action or proceeding in such courts, and (iii) waive any objection that such courts are an inconvenient forum or do not have jurisdiction over any party.

SECTION 6.5. Other Amendments to the Initial Indenture.

The following provisions of this Section 6.5 shall apply to the Notes (but not with respect to any other series of Debt Securities):

(a) A new Section 11.1(d)(xiii) of the Initial Indenture shall be inserted immediately following Section 11.1(d)(xii) of the Initial Indenture as follows:

“the permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and, with respect to such permissive rights, the Trustee shall not be answerable for other than its negligence or willful misconduct.”

(b) Section 11.1(d)(xi) of the Initial Indenture is hereby deleted and replaced in its entirety with the following:

“in no event shall the Trustee be responsible or liable for special, indirect, punitive, incidental or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action; and”

(c) The first paragraph of Section 11.2 of the Initial Indenture is hereby deleted and replaced in its entirety with the following:

“The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to reasonable compensation (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) for services rendered by it in the execution of the trusts hereby created, and shall also be entitled to payment of reasonable expenses and disbursements actually made or incurred hereunder, including the reasonable fees and expenses of counsel, accountants and of all persons not regularly in its employ, and all taxes which may have been assessed against the Trustee as such or any funds on deposit with the Trustee. Each of the Company and the Guarantors, jointly and severally, also agrees to defend, release and indemnify each of the Trustee, any predecessor Trustee and each of their respective directors, officers, employees and agents (collectively, the “Indemnified Parties”) for, and hold each such Indemnified Party harmless against, any and all losses, liabilities, claims, suits or proceedings at law or in equity, damages, and any other expenses, fees or charges of any character or nature, (including, without limitation, reasonable attorney’s fees and expenses) incurred, arising out of or in connection with the acceptance or administration of this trust or performance of the Indemnified Parties’ duties hereunder, including the costs and expenses of defending such Indemnified Party against any claim of liability in the premises and the costs and expenses of enforcing this Section 11.2, except to the extent the same shall have been finally adjudicated by a court of competent jurisdiction to have been directly caused by the Trustee’s or the predecessor Trustee’s negligence or willful misconduct. If any property other than cash shall at any time be subject to a lien in favor of the holders of Debt Securities, the Trustee, if and to the extent authorized by a receivership or bankruptcy court of competent jurisdiction or by the supplemental instrument subjecting such property to such lien, shall be entitled to make advances for the purpose of preserving such property or of discharging tax liens or other prior liens or encumbrances thereon. The obligations of the Company under this Section 11.2

to compensate the Trustee and to indemnify, pay or reimburse any Indemnified Party for expenses, disbursements and advances shall constitute additional indebtedness hereunder and shall survive the resignation or removal of the Trustee, the termination of this Indenture, and the satisfaction and discharge or any other termination pursuant to any Bankruptcy Law hereof. Such additional indebtedness shall be secured by a lien prior to that of the Debt Securities of all series with respect to which the Trustee acts as Trustee upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the holders of particular Debt Securities.”

ARTICLE SEVEN
[RESERVED]

ARTICLE EIGHT
SUPPLEMENTAL INDENTURES

The following provisions of this Article Eight shall apply to the Notes (but not with respect to any other series of Debt Securities) and shall replace in their entirety Sections 12.1 and 12.2 of the Initial Indenture. To the extent this Article Eight is inconsistent with or conflicts with any provisions of Article Twelve in the Initial Indenture, the provisions of this Article Eight shall govern.

SECTION 8.1. Supplemental Indentures and Agreements Without Consent of Holders.

Without the consent of any Holders, the Company, when authorized by a Certified Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form and substance satisfactory to the Trustee, for any of the following purposes:

- (a) to evidence the succession of another Person to the Company or any other obligor upon the Notes, and the assumption by any such successor of the covenants of the Company or obligor herein and in the Notes pursuant to Article Ten of the Initial Indenture;
- (b) to add to the covenants of the Company or any other obligor upon the Notes for the benefit of the Holders, or to surrender any right or power herein conferred upon the Company or any other obligor upon the Notes, as applicable, herein, in the Notes;
- (c) to cure any ambiguity, to cure or correct or supplement any provision herein which may be defective or inconsistent with any other provision herein, in the Notes, or to make any change to any other provisions of this Supplemental Indenture, the Indenture or the Notes to the extent such change shall not adversely affect the interests of the Holders in any material respect;
- (d) to comply with the requirements of the Commission in order to effect or maintain the qualification of this Supplemental Indenture and the Initial Indenture under

the Trust Indenture Act, as contemplated by Section 12.4 of the Initial Indenture or otherwise;

(e) to evidence and provide the acceptance of the appointment of a successor trustee hereunder;

(f) to mortgage, pledge, hypothecate or grant a security interest in favor of the Trustee for the benefit of the Holders as security for the payment and performance of the Indenture Obligations, in any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or in which a security interest is required to be granted to the Trustee pursuant to this Supplemental Indenture, the Initial Indenture or otherwise;

(g) to add a Guarantor in accordance with the terms of the Indenture; or

(h) to add to or change any of the provisions of this Indenture as contemplated in Section 11.7(b) of the Initial Indenture;

and the Company hereby covenants that it will fully perform all the requirements of any such supplemental indenture which may be in effect from time to time. Nothing in this Section 8.1 shall affect or limit the right or obligation of the Company to execute and deliver to the Trustee any instrument of further assurance or other instrument which elsewhere in the Indenture it is provided shall be delivered to the Trustee.

The Trustee shall join with the Company in the execution of any such supplemental indenture, make any further appropriate agreements and stipulations which may be therein contained and accept the conveyance, transfer, assignment, mortgage or pledge of any Property thereunder, but the Trustee shall not be obligated to enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Supplemental Indenture or otherwise.

Any supplemental indenture authorized by the provisions of this Section 8.1 may be executed by the Company and the Trustee without the consent of the Holders of any of the Notes at the time Outstanding, notwithstanding any of the provisions of Section 8.2. The Trustee may rely on an Opinion of Counsel as conclusive evidence that the execution of any amendment or supplemental indenture has been effected in compliance with this Section 8.1.

SECTION 8.2. Supplemental Indentures and Agreements with Consent of Holders.

With the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Notes, by act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Certified Resolution, and the Trustee, may enter into an indenture or indentures supplemental hereto in form and substance satisfactory to the Trustee for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Supplemental Indenture or the Initial Indenture or of modifying in any manner the rights of the Holders under this Supplemental Indenture, the Initial Indenture or

the Notes; *provided, however*, that no such supplemental indenture, agreement or instrument shall, without the consent of the Holder of each Outstanding Note affected thereby:

(a) extend the Stated Maturity of the principal of, or any installment of interest on, any Note, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or change the coin or currency in which the principal of any Note or any premium or the interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the redemption date thereof);

(b) following the occurrence of a Change of Control Triggering Event, amend, change or modify the obligation of the Company to make and consummate a Change of Control Offer in the event of a Change of Control Triggering Event in accordance with Section 3.2, including amending, changing or modifying any definitions with respect thereto;

(c) reduce the percentage in principal amount of the Outstanding Notes, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver of compliance with certain provisions of this Supplemental Indenture or the Initial Indenture or certain defaults hereunder and their consequences provided for in this Supplemental Indenture or the Initial Indenture;

(d) modify any of the provisions of this Section 8.2, Section 3.5 of this Supplemental Indenture, or Section 7.5 of the Initial Indenture, except to increase any such percentage or to provide that certain other provisions of this Supplemental Indenture or the Initial Indenture cannot be modified or waived without the consent of the Holder of each Note affected thereby;

(e) except as otherwise permitted under Article Ten of the Initial Indenture, consent to the assignment or transfer by the Company of any of its rights and obligations under this Supplemental Indenture or the Initial Indenture; or

(f) change the currency of payment of principal, premium (if any) or interest on the Notes.

Upon the written request of the Company accompanied by a copy of a Certified Resolution authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of Holders as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture.

It shall not be necessary for any act of Holders under this Section 8.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such act shall approve the substance thereof.

[Remainder of Page Intentionally Blank.]

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed by their respective officers hereunto duly authorized, all as of the day and year first written above.

The Indenture contains provisions for defeasance at any time of (a) the entire indebtedness on the Notes or (b) certain restrictive covenants and related Defaults and Events of Default, in each case upon compliance with certain conditions set forth therein.

Prior to April 6, 2031, the Company may redeem the Notes at its option, in whole or in part, at any time and from time to time, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of: (1) (i) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the Notes matured on April 6, 2031) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 15 basis points, less (ii) interest accrued to the date of redemption, and (2) 100% of the principal amount of the Notes to be redeemed, plus, in either case, accrued and unpaid interest thereon to the redemption date.

On or after April 6, 2031, the Company may redeem the Notes, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest thereon to the redemption date.

Upon the occurrence of a Change of Control Triggering Event, each Holder may require the Company to repurchase all or a portion of such Holder’s Notes (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof), at a purchase price in cash equal to 101% of the

principal amount thereof, together with accrued and unpaid interest, if any, to, but excluding, the date of repurchase.

In the case of any redemption or repurchase of Notes in accordance with the Indenture, interest installments whose Stated Maturity is on or prior to the redemption date will be available to the Holders of such Notes of record as of the close of business on the relevant regular record date referred to on the face hereof. Notes (or portions thereof) for whose redemption and payment provision is made in accordance with the Indenture shall cease to bear interest from and after the date of redemption.

In the event of redemption or repurchase of this Note in accordance with the Indenture in part only, a new Note or Notes for the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the cancellation hereof.

If an Event of Default shall occur and be continuing, the principal amount of all the Notes may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions (including certain amendments permitted without the consent of any Holders) as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders under the Indenture and the Notes at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the Notes at the time Outstanding. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Notes at the time Outstanding, on behalf of the Holders of all the Notes, to waive compliance by the Company with certain provisions of the Indenture and the Notes and their consequences. Any such consent or waiver by or on behalf of the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company or any other obligor on the Notes (in the event such other obligor is obligated to make payments in respect of the Notes), which is absolute and unconditional, to pay the principal of, premium, if any, and interest on this Note at the times, place, and rate, and in the coin or currency, herein prescribed.

If this Note is in certificated form, then as provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable on the security register of the Company, upon surrender of this Note for registration of transfer at the office or agency of the Company maintained for such purpose in the United States of America or at such other office or agency of the Company as may be maintained for such purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the security registrar designated in accordance with Section 4.2 of the Initial Indenture duly executed by, the Holder hereof or its attorney duly authorized in writing, and thereupon one or more new

Notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

If this Note is a Global Security, it is exchangeable for a Note in certificated form as provided in the Indenture and in accordance with the rules and procedures of the Trustee and the Depository. Upon any such issuance, the Trustee is required to register such certificated Notes in the name of, and cause the same to be delivered to, such Person or Persons (or the nominee of any thereof).

The Notes in certificated form are issuable only in registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof.

No service charge shall be made for any registration of transfer or exchange of Notes, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to and at the time of due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note is overdue, and neither the Company, the Trustee nor any agent shall be affected by notice to the contrary.

THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES THEREOF.
